Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: White

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 8.1 S Horizon

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Walkthrough

Boarding Entourage is via the integral swim platform through the acrylic transom door, or via port and starboard molded cockpit steps.

The cockpit area has large U- shaped seating to starboard, and a wet bar with an icemaker to port. A cherry wood table mounts for use with the aft seating, and has dedicated storage for when not in use. This area is well shaded by a pair of blue Sunbrella Bimini tops connecting to the vessels fiberglass arch.

Next forward is the port side companion seat with carry on cooler storage below. To starboard is the helm with two helm chairs, a stainless steel windshield, and a 3 sided Eisenglass enclosure.

The cabin is accessed through a lockable sliding acrylic door and down 4 steps. Immediately to port is the head, to starboard is the ships main AC/DC distribution panel.

Forward is a convertible sofa with removable a cherry wood table. To port is the galley followed forward by the island style V-berth.

Furthest aft and down one step is a large U shaped seating area, that converts to a double berth with filler cushions.
