SPECIFICATIONS

Overview

The C&C 32 is considered a classic design with the ability to race, daysail, stay aboard for a long weekend or even extended cruising. A well rounded vessel to say the least. The reliable Yanmar engine, roller furling headsail and wheel steering with all lines led aft to the cockpit makes it a favorite with sailors of all ages. Always used in freshwater and recently detailed, asking only \$19,900 should be on your list for a good dual-purpose boat. Located at our marina in Buffalo, NY

- Winter Cover

Builder Description:

The C&C design group created this yacht for Mom, Dad and the legendary 2.2 kids

So they gave her an exceptionally long cabin trunk, with four fixed ports a skylight hatch opening hatch in the head as well as the oversized forward hatch.

Her dinette interior allows for relaxation below around a comfortable teak dining table. The nav station has been cleverly designed to accommodate a full sized chart, however the working surface folds away to maximize the space in the quarter berth

The galley with the microwave oven will serve the owner well while cruising. This boat, while outfitted with great sails and deck hardware still allows for the creature comforts such as, shore power and a deep cockpit.

Exclusions

Owner's personal belongings.
