ХАРАКТЕРИСТИКИ

Обзор

TEMPTATION is the finest example of a Hatteras 75' Sport Deck MY on the market. She has been meticulously maintained by the same full-time captain since build and is in exquisite condition. This original owner vessel has twin CAT C-30's and the preferred high gloss cherry interior. Custom transom like larger yachts with aft deck with built-in bench seat and inlaid teak adjustable table (AJ Originals) redundant fresh water pumps, and redundant power steering systems. 1,250-gallons-per-day watermaker. This yacht features four staterooms with four heads (most popular His and Hers) including a full-beam king master. She has an array of amenities and an extensive list of upgrades including updated electronics, new custom furniture, granite countertops, and new stainless-steel appliances.

ПОДРОБНОЕ ОПИСАНИЕ

Key Features

- Sport Deck with custom aft deck with built-in bench seats, custom teak inlaid adjustable table (AJ Originals), and matching chairs
- Twin CAT C-30's with low hours; one engine completely over-hauled in 2019
- Stainless double doors open to the aft deck (as opposed to the single opening door)
- Entire new interior, furniture, carpet, chairs, bed furnishings/linens, all new cushions on aft deck and flybridge
- (2) Onan 21.5 kW generators
- Updated Garmin 8500 Series electronic at both stations
- Pilothouse interior refit with teak and holly floors and custom compass rose inlay
- Naiad stabilizers
- SAT TV
- 1,500 lb. davit

Vessel Walkthrough

Sport Deck and Aft Deck:The 75' Sport Deck Motoryacht has a custom transom with built-in bench seat usually seen on larger motoryachts. The adjustable aft deck table is inlaid teak by AJ Originals and matching chairs that easily seats six. The swim platform has a hidden swim boarding ladder, electrical water connections, hot/cold shower, centerline watertight door to a full height, and a full beam lazarette dry storage are with freezer. There is an enclosed ice machine with Avonite countertops. The aft deck sole is non-skid fiberglass. There are stereo speakers overhead with volume controls. At the forward end of this deck is the salon entrance through two sliding glass and stainless-steel watertight doors.

Flybridge and Boat Deck:The flybridge is accessed by a stairwell on the starboard side in the wheelhouse through a watertight sliding door. The helm is centerline with a full electronics console and two Pompanette helm chairs. There is a massive storage area below the helm. Aft of the helm again is an island key bar with an Avonite top and wet sink. There is a U-Line refrigerator forward and three bar stools aft. There are large port and starboard L-shaped settees with storage under that are covered Sunbrella. Between the two settees is a passage to the tender on centerline chocks. Outboard to starboard is a the MarQuipt 1,500 lb. davit. The area forward to the tender has a custom made Pipewelders hardtop with lighting, stereo speakers and tracks for enclosure.

Salon: The salon is paneled in American Cherry with a high gloss finish on all bulkheads and accent moldings and is full beam width. The soft goods and decorator accents compliment the wood beautifully and are very high end. There are silhouette blinds. The carpet is Fabrica Radiance. There are very large windows on both sides that affords ample natural light for the room. Upon entering the salon, there is along tan couch and ottoman in the front on the port side. There is storage under the couch and ottoman. Opposite the couch to starboard is a cherry cabinet with bi-fold pocket doors that houses a 42" flat screen TV. To port, forward of the couch is a custom inlaid teak dining table with four chairs. At the forward end of the table are below-counter cabinets housing the dishware, glasses, with keepers sized for all plates and glassed. Directly opposite to starboard is the curved access stairwell to the master

stateroom. Forward to starboard is a dining banquette with beige covering that will seat four comfortably. The dining table top is granite. Galley: The galley is opposite the dinette on the port side and occupies the forward engine of the salon. The galley is U-shaped and professionally laid out for ease of food preparation and cooking. The appliances are all top of the line. There is a prep sink with disposal and a large pot sink outboard. The counters and backsplashes are all granite; the deck is teak and holly Amtico. There is an abundance of over and under cabinetry and storage in the galley. Please see equipment list for all galley equipment. Master Stateroom: The master stateroom is accessed by the curved stairwell with carpeted steps on the starboard side of the salon to arched cherry French doors. The stateroom is American Cherry and is expansive. The soft goods in the room are high end. There are four large port lights allowing ample natural light with room darkening blinds. On the forward bulkhead to port is a cedar lined walk-in closet with safe and a cabinet with flat screen TV, radio, CD and DVD player. All staterooms have their own satellite receivers. Below the TV is a two-door cabinet that has four large drawers. Both the port and starboard sides of the master had large drawers on each side. There is an additional hanging locker on the starboard side. Storage is also under all the beds. Master His and Hers Baths: The master baths, port and starboard, have marble floors, onyx stone counter tops, and mirrored bulkheads. There is an over-sized Jacuzzi tub on center line with a glass enclosure and access on both sides. The bed is a centerline king that has large and have good lighting. There is under-counter and counter storage in the bathrooms. In the foyer outside the Master entranceway is a door to the Machinery space. Machinery Space: The machinery space is thoughtfully laid out and has an abundance of redundant systems throughout. The captain has, since the boat was built, carefully thought out systems placement for maintenance and repair situations and has created an engine room that has "ease of operation" in all areas. The engine room is as new and has a walk-through. Please see the list of equipment for all particulars. Hanging storage racks above each engine and stainless-steel sink. Access doors are forward and aft. Wheelhouse: The wheelhouse is located forward of the salon and galley and has wing doors port and starboard to the decks forward. There is a door to separate the salon from the wheelhouse. The wood is gloss cherry with Majelite Whisper Wall bulkheads and overheads. From centerline to outboard port bulkhead is a three-person helm bench seat with chart drawers and cabinet storage below. There is an office cabinet at the end of the bench with storage. The helm is centerline and has all updated navigation and operation on systems of a much larger yacht. The sole is Amtico with Compass Rose inlay. There is a stairwell on the starboard side that allows access to the forward guest staterooms. The stairwell has storage cabinets and electrical panel access and ends in a foyer with a full-size head with shower that serves both as a day head and bathroom for the forward stateroom. At the aft end of this foyer is a cabinet with full-size stackable washer/dryer. Forward Guest Stateroom: The forward guest stateroom has a centerline queen berth. The forward bulkhead is mirrored, and the stateroom is done with Majelite Whisper Wall and high gloss cherry cabinets. Features include storage cabinets, port side hanging cedar-lined locker, a bulkhead mounted flat screen TV with satellite, radio, CD, and DVD player. The head is

accessed by a door by the centerline entrance door. There is also storage under the bed. Port Double Guest Stateroom: Located aft of the forward stateroom, to port. Features include over and under twin berths that can serve as crew or guest accommodations. The berths are athwartships with storage under. There is a full ensuite bath with shower. Whisper Wind and gloss wood work, large hanging locker housing a flat screen TV with satellite, radio, CD and DVD player. Midship VIP Stateroom: The VIP Stateroom is aft and on centerline with gloss cherry and Whisper Wall bulkheads and ceilings. There is a Queen berth with a large cabinet to port with six drawers. Black-out blinds, under bed storage, cedar lined closets, and engine access.

Sport Deck

- Molded fiberglass with non-skid sole
- Fresh water wash down with (4) quick connect hose connections
- Stainless-steel railings
- Weather tight door in forward bulkhead on the swim platform that opens to a massive full-beam storage lazarette
- Hot and cold fresh water

Aft Deck

- DC lighting in hard top
- Molded-in steps to cockpit
- Stainless-steel railings
- Custom transom with built-in bench seating with storage below
- Inlaid adjustable teak table with matching chairs
- Doors to deckhouse
- Stereo speakers with volume control

Salon/Galley

- Wood paneling
- Salon carpeting
- Whisper Wall headliners
- Decorative wood valance
- Double stainless-steel sliding doors to aft deck
- Stairwell to master stateroom and engine compartment
- Fixed frameless windows safety glass
- Amtico teak and holly floor in galley
- Wood paneling (Danette)
- Granite counter tops with 2-bowl sink and storage cabinets made of high-gloss cherry
- AC refrigerator with freezer and ice maker
- AC 4-burner cook top with under counter oven
- Microwave/convection oven
- Garbage disposal
- Telephone outlets
- AC and DC light fixtures
- AC duplex outlets
- Dinette with storage under the seats
- Dishwasher
- Wine cooler – under counter
- Door to pilothouse
- Stereo speaker with volume control
- Water level gauge with low alarm
- Lounge with storage
- Throw pillows

Master Stateroom

- Wood paneling
- Carpeting
- Whisper Wall headliner
- King-size bed with custom mattress and upholstered headboard and storage underneath via gas cylinders
- Custom spread, throw pillow, pillow shams, pillows, mattress pad, and sheets

Ventilating port lights and screens • Walk-in cedar lined wardrobe with door and automatic light • Built-in dressers, port and starboard • Stereo speakers • AC and DC light fixtures • AC duplex outlets • Telephone outlets • 20" Flat screen TV with satellite and CD/DVD player • Private access to (2) heads • Full-length mirrors • Arched double cherry French doors • Hidden and secure Owner's safe

Master His and Her Heads

• Marble flooring • Whisper Wall headliner • Whisper wallcovering • Onyx counter tops in two separate heads • Tub and shower, sliding doors, whirlpool jets, and automatic sump pumps • Under-counter storage in the bathrooms

VIP Guest Stateroom

• Wood paneling and Whisper Wall wallcovering • Carpeting • Whisper wall headliner • Queen-size berth with upholstered headboard and storage underneath via gas cylinders • Custom mattress, spread, throw pillow, pillow shams, pillows, mattress pad, and sheets • Cedar storage • Ventilating port light with screen • (2) Cedar-lined hanging lockers with doors and automatic lights • Night stands with drawers • Full-length mirror • AC and DC light fixtures • AC duplex outlets • Dresser • Stereo speakers with volume control • Telephone outlets • Private access to heads • Flat screen TV with satellite and CD/DVD players • Special door from VIP into engine room

Mid-Ship Guest Head

• Marble flooring • Whisper Wall headliner • Whisper Wall wallcovering • Towel bars • Storage cabinets and sliding mirror doors • Finished wood base cabinet • Onyx counter top with integral sink • Tub, shower, sliding door, whirlpool jets, and automatic sump pump • Plexi-mirror around upper cabinet • Linen locker • Fresh water toilet

Forward Guest Stateroom

• Wood paneling and Whisper Wall wallcovering • Whisper Wall headliner • Carpeting • Upper and lower berths with storage underneath • Spreads, throw pillows, pillow shams, pilots, mattress pad, and sheets • Cedar-lined hanging locker with doors and automatic light • Full-length mirror • Stereo speakers with volume control • AC and DC light fixtures • AC duplex outlets • Flat screen TV with satellite and CD/DVD player • Private access to head

Port Forward Head

- Amtico teak and holly floor
- Whisper Wall headliner
- Whisper Wall wallcovering
- Storage cabinets and sliding mirror doors
- Finished wood base cabinet
- Solid surface counter top with integral sink
- Stall shower with bi-fold door and automatic sump pump
- Plex-mirror around upper cabinet
- Linen locker
- Mirror
- Towel bars
- Fresh water toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet

Starboard Forward Guest/Day Head

- Shower
- Granite counter tops
- Marble floor
- Mirrored bulkhead

Bow Guest Stateroom

- Carpeting
- Padded vinyl on hull side
- Mirrored forward bulkhead
- Rope storage locker with divider
- Whisper Wall headliner
- Padded panels
- Dresser, port and starboard
- Queen-size tapered berth with upholstered headboard and storage underneath via gas cylinders
- Custom mattress, spread, throw pillows, pillow shams, pillows, mattress pad, and sheets
- Full-length mirror
- Night stands, port and starboard
- Custom lamp
- Cedar-lined hanging locker with door and automatic light
- Screened overhead hatch with privacy cover
- Stereo speaker with volume controls
- AC and DC light fixtures
- AC duplex outlets
- Access to starboard head (standard arrangements)
- Flat screen TV with satellite and CD/DVD player

Aft Companionway

- Carpet
- Whisper Wall headliner
- Whisper Wall wallcovering
- DC light fixtures
- Portable halon fire extinguisher
- Lighted stairway to main salon
- Doors to master stateroom, and engine compartment

Forward Companionway

- Carpet
- Whisper Wall headliner
- Whisper Wall wallcovering
- Portable halon fire extinguisher
- Washer/Dryer
- DC light fixtures
- Stairway to pilothouse
- Doors to starboard guest head and guest staterooms
- Hatch to machinery compartment on gas cylinder
- Cedar-lined storage locker
- Lighted steps to lower companionway

Pilothouse

- Wood paneling/padded panels
- Amtico teak and holly flooring with inlay compass rose
- Whisper Wall headliner
- Sliding doors, port and starboard, to side decks
- Safety glass
- Cruising seat with storage
- Steps to lower companionway
- Electric windshield washer/wipers with controls
- Windshield cover for privacy
- Hydraulic power-assisted

steering • Single lever electric hydraulic clutch and throttle controls • Compass with dimmable light • Rudder angle indicator • Engine synchronization controls • Fuel gauges • Control station with all necessary switches and dimmable lighted instruments • AC distribution panels • DC electronics panel • AC switching panel • AC and DC light fixtures • Telephone outlets • Stairs and sliding door to flybridge • Storage lockers • Door to galley/dinette • Stereo speakers with volume control • GPS/Plotter, VHF, autopilot, depth and speed (upgraded to Garmin equipment) • Back-up throttle, clutch, and speed controls

Flybridge

• Molded fiberglass bridge • Storage under control console with DC lighting • Tinted acrylic windshield • Control station with necessary switches and dimmable lighted instruments • Aluminum radar arch with mast, radar • Compass with dimmable light • Single lever electronics hydraulic clutch and throttle controls • Hydraulic power assisted steering • Helmsman and companion seat, both adjustable • Rudder angle indicator • Custom walk-through to boat deck • Custom island key bar with three stools • U-shaped bridge deck seating with Sunbrella covered polyfoam cushions and storage, with access to boat deck • Stairs and sliding door from pilothouse • Engine synchronization control • Stereo speakers with volume control • DC lighting in hard top • Stainless steel railing • Molded fiberglass • Wing boards • Door to deckhouse • Stereo speaker with volume control and AM/FM, CD player

Hull

• Isophthalic gelcoat, interior layer, black • Isophthalic gelcoat, exterior layer, white • Blister-resistant Vinyl Ester resin in hull bottom skin coat • Topsides and superstructure, polyurethane coating • Polymer/copper based anti-fouling bottom paint • Boot stripe, polyurethane coating • Decks, non-skid surface, polyurethane paint with polymeric beads

Electronics and Navigational Equipment (Pilothouse and Flybridge)

• Battery paralleling system with switch at control consoles • (2) 240-volt, 50-amp transformer connected retractable shore cords with over current protection, one each port and starboard • AC and DC light fixtures • AC duplex outlets • Battery control panels with fuses and isolation switches • DC distribution panel with magnetic circuit breakers • AC distribution panel with thermal/magnetic circuit breakers • AC distribution panel with voltmeter, ammeter, frequency meter, generator start/stop controls and interlock selector breakers • AC switching panel with voltmeter, ammeter, frequency meter, generator start/top controls and interlock selector breakers •

Systems monitor with visual and audible signals for exhaust temperature, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room and generator room, AC power loss, smoke detectors, holding tank level, and holding tank $\frac{3}{4}$ full monitor • Navigation lights • Ground fault protection on AC receptacles and lighting circuits • Air conditioning and reverse-cycle heating • Telephone / CATV inlets, one each • Telephone and CATV shoreline cords, one each • TV antenna, omni-directional • Simrad AP28 Autopilot • Garmin 8500 BB GPS MAP with multi-touch helm display • Garmin 72- mile radar and sounder • (2) Garmin 4" depth, speed, wind display • (2) Garmin 4" true wind, angle display • Garmin GPS MAP 8212 plotter • (2) ICOM ICM 604 VHF radio • Northstar 6000 • KVH TV 6 SAT • KVH SAT/TracPhone F13150 • Aft deck and engine room cameras

Mechanical Equipment and Engine Room

• AC fluorescent lights • DC lights • DC bilge blowers • Twin CAT C-30 diesel fresh water-cooled main engines with marine gears, neutral interlocks, exhaust silencers, engine house meter, alternators, fuel filters, and sea strainers. Hours: As of 9-10- 2018: Port - 2,321 Stbd. - 2,230. Stbd. Engine rebuild: 1- 2019 - Hours at rebuild: 2331. As of 11-12-2019: Port - 2412 Stbd. - 2382 (51) • Fire extinguishing system for engine compartments and generator compartments and generator compartment with automatic and remote manual control plus audible and visual discharge signals • (2) AC ventilation fans • (2) Onan 21.5 kW fresh water-cooled diesel generators with sound enclosure, remote start, seawater strainer, hour meter and water lift muffler. Hours: #1 - 4718 #2 5319 • Fuel tank selector manifold with gauges at pilothouse console • Fresh water fill hose for engines and generators • Dockside water inlets and pressure-regulating valve • Automatic, electric bilge pumps • Ball-valves on all underwater through hull fittings with electrical bonding throughout • Pressurized fresh water system with 50-gallon electric water heater • UL approved fiberglass fuel tanks • Sewage holding tanks plumbed for dockside or overboard discharge with level indicator light, as part of systems monitor • Oil changing system for engines and generators • Fuel filter/water separator, generators • Duplex fuel filters, water separators with bypass manifolds • Fuel priming pumps • Overhead grab rails • AC distribution panel • Naiad MultiSea II stabilizers • AC compressed air system with air, line and regulator • Custom 5-blade props from the Hatteras factory (sized smaller to provide 6" less draft)

Wheelhouse

• Main electric and switching panel

Remarks

This vessel has had no expense spared in the building process. The owner's custom feature and upgrade list is extensive and available. The captain has painstakingly maintained this vessel since built and is in immaculate condition. The owner's artwork will remain. Bronze sculpture, tools, personal effects, and all other items that will be excluded from the sale will be named at the time of contract.

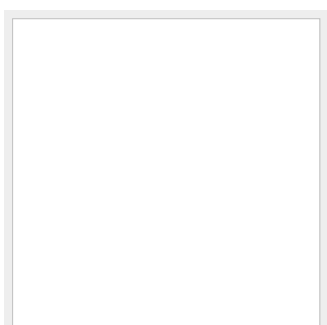

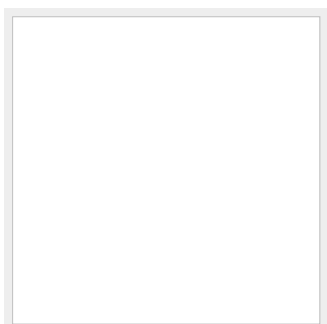

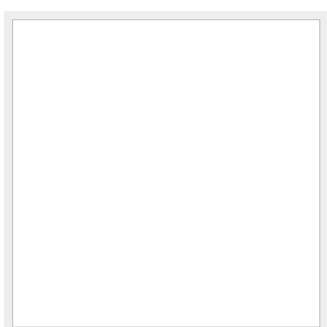

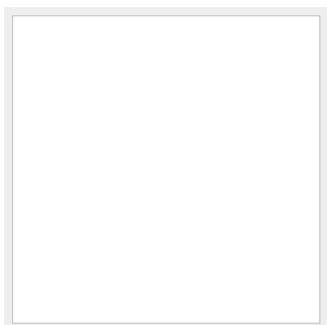

Исключения

При продаже яхты исключаются личные вещи владельца.
