SPECIFICATIONS

Overview

Bristol 2002 SeaRay 340 Sundancer 340!! This boat is in excellent condition with very low hours on the mains and 45 hours on the 5 KW Westerbeke Generator.

This boat comes with multiple canvas options including full camper, tonneau as well as a full deck covering to protect the gelcoat from the sun's UV rays.

Sun Joy comes with all the bells and whistles and has been gently operated and always well maintained. Sun Joy was built to high standards with gasoline, high performance twin inboard MX6.2L MPI Horizon 320 HP engines mated to V-drive transmissions.

For cruising, the sleek fiberglass deep-V hull design, forward radar arch and 17 degree dead rise allows this boat to smoothly cut through high chop rather than "bounce", and glide through the water for a very smooth ride when under way.

Sea Ray did not waste space on the 340 Sundancer. It's roomy in the cockpit, spacious in the cabin for a 34 foot boat and also has plenty of storage. Take a closer look and you will discover Sun Joy is loaded with amenities, and the high quality associated with a Sea Ray pedigree that will quickly spoil any boating family while filling sunny days with happy memories.

BOW TO STERN AND IN-BETWEEN

On the bow, an easy to remove snap-on sun pad filler cushion with stainless steel handrails welcomes the sun worshipers. The entire fore deck is surrounded by a stainless steel hand rail and hand holds for safe, easy access to the bow as well as port and starboard side decks.

You will also find a 32 LB stainless steel Delta plow style anchor and a 5" remote control spot light with a custom canvas cover. The anchor locker gives easy access to the anchor rode next to the twin up and down foot controls for raising and lowering the anchor. There is also a conveniently mounted control in the helm panel.

Looking at the aft of the boat, you will find a spacious locker accessed from the swim platform that houses the shore power cords and power inlets as well as fresh water and cable TV hook ups. Just outside of this you will also find a hot and cold fresh water shower so you can conveniently rinse off after that cooling dip in the salt water! To make getting into or out of the water easy, you will also find a user friendly stainless steel retractable swim ladder!

Moving slightly forward into the cockpit you will see the large seating area with removable table for enjoying alfresco dining and cocktails. A large filler cushion also turns this area into a comfortable tanning location or sleeping area under the stars. There is also multiple storage locations under seat cushions.

The helm area has an extra large control station, broad burl-accented dash that places all the gauges and electronics within easy reach and sight of the Captain. The electronics include Mercruiser Smart-Craft monitoring and diagnostic system, Raymarine VHF radio, stereo as well as the Raymarine C80 chart-plotter/MFD. Finally there is a fully functional boat systems

monitor on the right hand of the dash board.

The cockpit is further enhanced with the addition of flip-up helm bolster seat as well as a large, double companion seat with large storage cabinets beneath them. The crew will remain properly hydrated while being served from the cockpit wet bar, refreshment center and refrigerator while being shaded by the over head bimini cover.

Inside the cabin proper you will find a spacious stand up head compartment with an electric Vacu-flush commode, mirror, vanity sink, hot/cold pressure water shower, opening port hole and power vent. The main area salon offers a wide open flexible floor plan with a large island bed, aft double berth, full galley, opening screened port and deck hatches, faux granite counter tops and plenty of storage.

The overstuffed crescent sofa and cherry edged Corian dining table encompass the starboard side of the salon. The table is easily removed for a filler cushion to convert the sofa into a double berth. Behind the sofa, large gunwale cabinets provide storage, and there is even more storage under the sofa base. You will also find the central vac here as well. There are Sunbrella snap in carpet protectors over top of the deep pile 44 ounce carpeting.

Up forward of the galley and sofa area you find the center island double berth. There is again storage under the berth as well as in two hanging lockers. Fresh air and sunlight are supplied by a deck hatch.

The lower area is also nicely heated and cooled by a reverse cycle AC unit that can easily be powered when away from the dock by the 5 KW Westerbeke gen set!

Make sure this boat is on your **MUST SEE** list when looking for your dream boat!
