SPECIFICATIONS

Overview

KB1 is the popular 84' Azimut model and is found in excellent condition. She is a one-owner, U.S. spec boat with four staterooms plus crew. She was built to a high standard with knowledgeable oversight throughout her build and many quality upgrades. Lightly used, she is ready to cruise at a moment's notice.

Hull Material: Fiberglass

Deck Material: Teak

Hull Color: Blue

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C32

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

Entering aft from the swim platform you go up to the aft deck via a stairway on port and starboard. There is a large teak dining table for eight on the aft deck with wraparound seating aft and chairs forward. Forward to port is a sink with cold storage for beverages and to starboard a semi spiral stairway up to the flybridge. From the starboard side of full width glass doors, you enter the salon which has an oversized L shaped couch to port and two chairs with side table to starboard. A 55" Samsung HDTV elevates from the cabinet behind these two chairs. Forward of the salon is the glass dining table for eight and forward of this to port is the day head. To starboard is the galley with a watertight door that accesses the starboard main deck and is replete with Miele appliances including concealed dishwasher and convection oven. Forward to port of the galley is a settee with wraparound seating and to starboard is the pilothouse with fully electric Treben helm chair and Raymarine electronics as well as the Azimut digital monitoring system. Back to the starboard side just ahead of the day head is the stairway down to the guest accommodations with the washer/dryer on the aft of the lower hallway and just forward to starboard is a guest twin room with side by side berths, a Pullman berth, and oversized windows. An en suite head with teak covered shower is forward and hanging closet starboard forward. Forward of this room to port is an identical twin room with side by side berths and an overhead Pullman berth. The en suite head with teak covered shower is forward and the hanging closet is forward to port. All the way forward is the VIP stateroom with island queen berth and en suite head with teak covered shower aft to starboard. Back on the main deck just aft of the dining area to starboard is the stairway down to the master stateroom with centerline king berth, four oversized windows on port and starboard, a desk/vanity to starboard and a table for two to port. The en suite head is aft to starboard with marble shower and countertop. Forward to port are enclosed hanging locker and shelves to starboard. Back on the aft deck to starboard and up the semi spiral stairway to the flybridge there is a large combination sunpad/seating area to port and helm area to starboard. Aft of the helm to starboard is the bar with three stainless steel barstools and quartz countertop with an upper teak top. Across from the bar is a large teak table for eight with wrap around seating outboard and chairs inboard. Aft to port is the Jacuzzi and all the way aft to port is the built-in gas grill. Back on the main deck forward in front of the house is a large U-shaped seating area with table centerline and sunpads forward. There is a cabana top that can be raised over the seating area. Highlights • US spec built • Only 1264 hours on C32 Caterpillar engines • CMC Zero Speed electric stabilizers • ABT Trac hydraulic bow and stern thrusters • Day head • All staterooms have en suite heads • 150,000 BTU tropical edition air conditioning • Sleeps 10 plus 4 crew • 12 underwater lights

Salon

- 1 x L-shaped sofa on portside
- 2 x Club chairs on starboard side
- 1 x Coffee table in eucalyptus wood and glass top on portside, with two stools underneath
- 1 x small coffee table in eucalyptus wood and glass top, on starboard side
