LWL: 43' 0" (13.11m)

LOD: 52' 0" (15.85m)

Beam: 15' 2" (4.62m)

Min Draft: 4' 2" (1.27m)

Speed, Capacities and Weight

Cruise Speed: 30 Kts. (35 MPH)

Max Speed: 36 Kts. (41 MPH)

Water Capacity: 165 Gallons

Fuel Capacity: 565 Gallons

Accommodations

Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Deep Vee

Engine Information

Engines: 2

Manufacturer: Volvo

Model: IPS 900

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Upgrades, Customization and Options

Sea Keeper Gyro - The gyro can be engaged with the touch of a button and dramatically reduce the roll of the vessel. Sea Keeper control boards upgraded and replaced, 2017.

The FLIR Camera System - providing night vision for safety, security and peace of mind. The system is a huge assistance not only after dark but in a "man overboard" situation as well.

IPS System - Maneuvering with a Joy Stick controller. Forward, reverse, lateral and diagonal movement give even novice operators better control in all moving situations.

DPS-Dynamic Positioning System - allows the boat to be fixed in a specific location with the aid of the on board satellite positioning system. This is especially useful in docking situations and bridge openings. DPS antenna upgraded and replaced, 2017.

Aft docking station - An additional helm station with Joy Stick control is located in the cockpit.

Custom crew cabin - Installed at the factory, this additional space provides a berth, head and shower for crew along with a washer/dryer.

Assorted options and upgrades - custom Dove Gray color making her exterior look, not only beautiful but very unique. TV's upgraded to international standards, SAT system, teak interior sole and the high performance of twin Volvo IPS's for a great ride and ease of handling.
