Year Built: 2007

Country: United States

Vessel Top: Enclosed Pilothouse

Fly Bridge: Yes

Dimensions

LOA: 59' 0" (17.98m)

Beam: 18' 0" (5.49m)

Min Draft: 5' 0" (1.52m)

Clearance: 26' 0" (7.92m)

Speed, Capacities and Weight

Cruise Speed: 20 Kts. (23 MPH)

Max Speed: 25 Kts. (29 MPH)

Displacement: 96000 Pounds

Accommodations

Total Cabins: 3

Sleeps: 6

Total Heads: 3

Crew Cabin: 1

Crew Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: CAT

Model: C-18

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Features

Construction

- Gel coated fiberglass exterior
- Watertight Bulkheads
- Epoxy barrier undercoat
- Full length keel, 24" deep aft, extends below running gear
- Hull structural grid, fiberglass and foam
- Solid fiberglass hull below waterline Cored hull above waterline
- Molded quarter guard with stainless steel rub rail
- Hydrex resin skin coat in hull lamination
- Hand laid fiberglass
- Gel-Coated fiberglass w/cross linked PVC foam core for deck, house and bridge
- Hull Color, Grand Banks White
- Boot stripe, Awl Grip Flag Blue

Engine and Mechanical Equipment

- Twin Caterpillar C-18's. 1000 HP each,
- Caterpillar Marine Power Display Engine Monitoring System
- Kahlenberg Dual Trumpet Air Horns
- Ball valve on thru hulls above waterline, bronze
- Bilge pumps automatic DC
- Bilge pump manual, Whale Gusher
- Engine bed, aluminum angles over fiberglass stringers
- Engine Controls Twin Disc EC300, single lever each station
- Engine room faucet, fresh water
- Engine room sound insulation
- Engine Shutdown System, Fireboy
- Exhaust System, underwater outlet, custom outlet cowling and Idle bypass muffler
- Fire extinguisher, Fireboy 70.2 lb, FE-241 with engine, generator, blower shutdown and override control
- Fresh water heater, Seaward
- Fuel tanks, aluminum, baffled
- Fuel filters, Racor water separators on each engine (dual), and generator (single)
- Fuel and water tank level monitor, Centroid Computank CT-8
- Fuel water separator on generator exhaust system
- Generator, Onan, 21.5MDKBR, 21.5KW, 1800 RPM, 2676 hrs
- Oil change system for engine/generator/transmissions
- ZF Propellers, 38" x 41.5", 4 blade Nibral

- Reduction gear Twin Disc (P/S) MGX-5735A, ratio 2.52:1
- Rudders, two bronze spade type
- Rudder angle indicator, VDO 12V
- Seacocks, Groco Safety Seacocks on engine raw water inlets
- Shaft log, fiberglass w/flex, dripless with spare seals (new 2018)
- Shafts, 3" stainless steel
- Stabilizers, Naiad anti roll
- Steering hydraulic with power assist, Teleflex Seastar
- Struts, single arm, bronze
- Water tanks, painted aluminum
- Washer Dryer, full size
- Watermaker, Spectra Newport 700 MKII
- Windshield Wipers with Exalto 223 BDT 24V motors

Electrical Equipment

- AC distribution panels
- Air Horn Kahlenberg
- Air Conditioning, reverse cycle, Marine Air System
- Alarm and indicator panel, each station
- Alternator, each engine and generator
- Batteries, Lifeline AGM with fiberglass boxes, lids, straps, 2x8D engine starting, 2x4D for bow thruster, 4x8D for house, 1x2F for generator
- Battery charger, Mastervolt MASS, automatic 24V 75 Amp
- Battery charger, Mastervolt MASS, automatic, 12V 30 Amp
- Inverter Xantrex 2425
- Battery condition indicator
- Battery disconnect switch
- Battery switch, emergency paralleling
- Bilge pumps (4), automatic, DC
- Bonding system
- Bow thruster, Sleipner Side-Power with hand held remote
- Stern thruster, Sleipner Side-Power with hand held remote
- Carbon monoxide detector, Seafire Marine, in sleeping areas and salon
- DC converters, 24-12V, 40A
- Engine gauges and instrumentation, CAT MPD electronic
- Engine room blowers, DC
- Engine room lights, AC fluorescent lights with diffusers
- Engine room lights, DC
- Engine start/stop, twin station with sync and slow vessel mode controls
- Entertainment system, CD/DVD player w/speakers, SONOS system upgrade (2016)
- Exhalto electronic touch panel switch
- Exhaust/water separators, Centek for generators

- Fuel polishing system, Alfa Laval
- Freshwater system, pressurized, DC
- Freshwater system, pressurized, 110 AC (on inverter panel)
- Generator, Onan with Sound Shield, 21.5KW MDKBR series 120/240, 2676 Hrs
- Helm outlet, DC at each station
- Holding tank level indicators
- Holding tank, direct discharge w/ Y valve on all toilets, DC
- Holding tank, grey water w/dischage pump, DC
- ISO Boost 50 Isolation transformer
- Lighting throughout, 24-volt DC and 120-volt AC
- Navigation lights, DC
- Oil change kit, DC
- Outlets throughout with GFCI protection
- Rudder angle indicator, DC
- Shore power inlet, 50A aft, (1) Glendinning Cablemaster w/75 ft cable
- Shore power inlet, 50A fwd
- Tank gauges for fuel and water, with Computank display
- Trim Tabs, DC
- Water heater, 20 US Gal, AC
- Washer/Dryer, full size separate units
- Wiring, marine grade tin-plated copper, thermoplastic and molded rubber
- Yachtcontroller, model TX Dual-Band, upgrade 2017

Electronics and Entertainment

- Upgraded Raymarine Electronics "gS" 165 series chartplotters, (2) new February 2016
- Raymarine "gS" series Dual Station Bundle w/Lighthouse US Vector Charts, includes 2 MFD's. GPS Antenna, remote keypad, SeaTalk-ng starter kit x (2), for flybride and pilothouse, new Feb 2016
- HS5 Raymarine Network Switch, new Feb 2016
- Upgraded Raymarine Glass Bridge Displays, new Feb 2016
- Upgraded Raymarine Radar, 48" Super HD Color Digital Open Array, 4KW, new Feb 2016
- Upgraded KVH HD7 for HD TV, (with dummy dome match), new Feb 2016
- Upgraded SONOS SYSTEM in salon, master, FB and aft deck, new Feb 2016
- Upgraded ALL TV's to HD, new Feb 2016
- Upgraded, relocated all Directv receivers to staterooms to get HDTV
- Raymarine 4" multi-function display
- CAT LCD engine displays
- Raymarine ST8002 Auto Pilot
- Raymarine ST6002 Auto Pilot
- FLIR Nightvision camera w/remote control
- (2) Ritchie powerdamp compass

- (2) Icom IC-M604 VHF radio with loudhailer/automatic foghorn and commandmic for bridge
- ACR Globalfix EPIRB w/hydrostatic release
- ACR searchlight
- (2) VDO rudder angle indicator
- Thrane & Thrane TT-3672A satellite phone
- Computank Fuel/Water Tank level display
- Rule high water alarm
- Battery parallel system
- Bennett trim tab controls
- Black and gray water discharge pump controls
- Twin Disc EC300 Quickshift electronic engine controls
- Side power bow and stern thrusters
- Naiad digital display for stabilizers
- Xantrex inverter control panel
- Weems & Plath brass clock/barometer set

Exterior Equipment

- Anchor chain locker divided for rope and chain, self draining
- Anchor platform, fiberglass with pulpit, double stainless steel rollers
- Anchors (2), 60 lb CQR w/200 ft 3/8 chain, 45 lb CQR w/175 ft 3/8 chain
- Anodes, zinc, shaft and hull
- Bulwark caps, teak
- Chocks and mooring cleats stainless steel
- Cleats, fender, pop-up
- Davit, Gelcoat colored
- Decking, teak, epoxy bonded at cockpit
- Dinghy chocks, integral reinforcement
- Engine room vents, Delta T air demisters
- Flag pole with holders, bow and stern
- Foredeck lockers, port and starboard
- Foredeck settee, molded with under seat storage
- Freshwater washdown
- Grab rails, stainless steel
- Non-skid AwlGrip, side and forward cabin house deck and hardtop
- Portugese bridge w/lockers and access doors to forward deck
- Rubrail, stainless steel striker plate on fiberglass
- Safety rails, stainless steel w/intermediate 1/2" OD tube on flybridge & fwd of portugese bridge
- Skylight hatches w/screens and blinds in staterooms
- Windlass, Lofrans Falkon 24VDC bi-directional w/remotes
- Windows, tempered glass, fritted, bonded, flush installation

Portugese Bridge/Foredeck

- Portugese Bridge surrounds foredeck, provides safety and comfort
- Large storage lockers forward
- Easy access entry door on to foredeck
- 2nd remote control hand held plug
- (2) Settees, port and starboard w/cabinets
- Shorepower inlet

Cockpit/Aft Deck

- Aft sliding door with cover
- Courtesy lights
- Dinghy cleats, pop-up from swim platform, stainless steel
- Hatches, teak, pneumatic
- Ladder to lazzerette
- Settee, molded fiberglass w/cushions and under seat storage
- Stairs to flybridge w/teak steps
- Stairs, molded fiberglass w/teak steps to swim platform/cockpit deck
- Swim ladder
- Swim platform, molded glass, teak deck
- Teak table converts to (2) separate tables or (1) long w/fold up leaves and covers
- Transom doors, hinged, both port and starboard,
- Transom shower w/retractable hose, hot/cold
- Wing doors, teak, to protect aft seating in rough seas

Pilothouse

- Chart table, teak
- Compass w/light
- Dinette, raised w/teak table and settee
- Doors, fiberglass/teak, starboard and port
- Electronics circuit breaker panel, DC
- Electronics console, overhead, teak
- Electronics console, wrapped w/Ultraleather
- (1) STIDD double Helmchair, bench style
- Staircase to forward cabin, teak w/lighted steps
- Steering wheel, stainless steel, teak rimmed
- Weems & Plath brass clock/barometer set
- Remotes or controls for steering, throttles and gear shifts, engine start/stop, bow and stern thrusters, anchor windlass, searchlight, trim tabs, engine room fire extinguisher, stabilizers, FLIR camera

Flybridge

- Hardtop for flybridge
- Caribe R.I.B, 14' center console tender, w/50 HP Yamaha 4-stroke outboard &

canvas cover

- Airtex Davit, 24V, fully articulated electro-hydraulic, 1,000 lb davit and Quick HRC 1006 remote control
- Compass w/light
- Courtesy lights
- Deck, non-skid, painted Awlgrip
- Electronics console, molded fiberglass
- (2) Helmseats, STIDD, Admiral Low Back w/deluxe chrome package/covers
- Helm/Instrument station w/cover
- Steering wheel, stainless steel, teak rimmed
- Locker, fiberglass molded, port aft and starboard aft
- Radar arch, molded fiberglass
- Railing around flybridge/windshields, stainless steel
- L-settee, molded fiberglass, starboard w/cover
- Seat cushion fabric vinyl
- Bench seats, stern, port and forward w/covers
- Windshield cover
- (2) Tables, teak grate w/stainless pedestal w/table covers
- Vitrifrigo compact refrigerator/freezer
- Stainless steel CNG BBQ grill
- Remotes or Controls for steering, throttles and gear shifts, engine start/stop, bow and stern thrusters, anchor windlass, autopilot, searchlight, trim tabs, engine oom fire extinguisher, stabilizers
- FLIR
- Flybridge canvas enclosure

Salon

- Bar Cabinet, Teak
- Bookshelves
- Chairs, Barrell style, (2)
- Sliding aft door, fiberglass/teak w/retractable screen
- Engine removal soft patch
- Entertainment center, teak, w/SONOS system
- L-Settee w/storage
- Sole, teak and holly
- Steps, teak w/non-skid
- Table, teak w/maple and Burlwood inlay
- TV cabinet, flat screen pop-up lift w/Sony LCD TVSeafire CO detector

Galley

- Sub-Zero Refrigerator 700BR, aft w/teak panel drawer
- Sub-Zero Freezer 700BF, forward w/teak panel drawer
- Sharp Grill 2 microwave oven

- Oster toaster oven
- ISE Garbage disposal
- Seagull water filter
- Fisher & Paykel dishwasher
- Seafire CO detector
- Stove, Miele 4 burner, CNG
- Countertop, granite with backsplash guard
- Curtains treated w/fire retardant spray
- Dishwasher, AC
- Exhaust blower
- Faucet, single lever, pull-out head w/hose
- Locker, overhead
- Sink, stainless steel single bowl

Dining Area

- Opposite galley
- L-Settee seats up to (6)
- Table, teak w/(2) fold down leaves
- Storage cabinets overhead, starboard and aft
- Avanti wine cooler

Master Stateroom

- Berth, large Island Queen
- Cantalupi reading lights w/shades on each side of berth
- Bureau w/drawers
- Night tables, (2) teak
- Cedar lined hanging locker
- Desk w/chair
- Recessed TV cabinet w/jack outlet
- 40" Samsung UHD JU6500 Series Smart TV w/SONOS PLAYBAR
- Thin Line TV mount
- Directv receiver H25
- Clarion VB475 FM/AM/CD player
- UPS battery back inside closet for TV, DTV receiver
- Seafire CO detector

Master Head

- Countertop, Granite with undermounted Corian sink
- Shower stall, separate with fiberglass and Corian shower pan
- Shower with drain pump, DC
- Faucet, single lever
- Toilet, Sealand Vacuflush

- Exhaust blower, DC
- Opening ports, teak framed

VIP Guest Stateroom Forward

- Berths, Island with drawer storage below
- Cantalupi reading lights with shades on each side of berth
- Cedar lined hanging locker
- Recessed TV cabinet with jack outlet
- 24" Samsung LED H4500 Series Smart TV
- Thin Line TV mount
- Directv receiver H25
- UPS for TV, DTV receiver
- SONOS Connect Amp to existing ceiling speakers
- Clarion VB475 FM/AM/CD player
- Access to guest head from stateroom
- Seafire CO detector

VIP Guest Head

- Countertop, granite with undermounted sink
- Shower stall, separate with fiberglass and corian shower pan
- Shower with drain pump, DC
- Faucet, single lever
- Toilet, Sealand vacuflush
- Exhaust blower, DC
- Opening ports, teak framed

Guest Stateroom Port

- Twin Berths with drawer storage below
- Reading lights, each berth
- Mirrored cabinet door between berths
- Locker between berths
- 24" Samsung LED H4500 Series Smart TV
- Thin line TV mount
- Directv receiver H25
- UPS for TV, DTV
- Clarion VB 475 FM/AM/CD player
- Seafire CO detector

Optional Crew Cabin w/head

- Single berth to port /with storage
- Reading lights both sides of berth
- Toilet, Traveler

- Countertop, Corian with stainless sink
- Single lever faucet, pull out with hose for shower
- Seafire CO detector

Interior throughout

- Bulkheads, applied trim and soft panel inserts
- Bulkheads, Formica, teak, wallpaper
- Cabin doors with lock sets
- Cabinet furniture, teak faced
- Curtains
- Dimmer switches in salon, pilothouse, and all 3 staterooms
- Drawers, teak faced
- Drawer slides, Blum
- Grab rails, teak
- Hardware, stainless steel and chrome
- Headliner, removable vinyl panels
- Lighting, Xenon, DC
- Lights, reading at berths
- Lights, shaded reading lights at master stateroom
- Outlets, AC
- Portholes, stainless steel and screens
- Pre-wire for phone and ethernet
- Southco push to close latches and drawers and locker doors
- Sole, teak and holly
- Steps, with rubber traction strips

Accommodations

*ANG MO THE MERRIER COMES WITH A 3 STATEROOM AND 3 HEAD LAYOUT BUT ALSO COMES EQUIPPED WITH THE OPTIONAL CREW CABIN AND HEAD AFT.

Vessel walkthrough

Boarding can be done from both the port and starboard sides. Starting aft there is a large integrated swim platform with safety rails, dinghy cleats, and swim ladder. There are two staircases leading up to the covered aft deck area. Located on the aft deck area there is ample seating/storage with two teak tables that can be combined into one large table for entertaining and dining up to six (6). To port there is a spiral staircase for access to the flybridge and a storage locker to starboard.

As we head up the flybridge staircase with custom hatch there is a 14ft Tender and davit to aft, BBQ to starboard and refrigerator to port. Heading forward on both port and starboard sides there are two teak tables with an L-shaped settee and facing loveseat on either side. There are two pedestal STIDD chairs that accompany the upper helm station complete with full electronics and controls. The flying bridge extends full beam over the salon to create a protected walkway around the aft half of the yacht. The underside of the hardtop contains recessed lighting and stereo speakers.

Primary access to the engine room is on the main deck port side. She is powered by Caterpillar 1000 hp C-18's accompanied by an Onan 21.5KW generator. There is secondary access to the engine room via the center hatch in the aft deck area, underneath the table, which also provides access to the spacious lazarette and the aft crew quarters.

On either side of the boat there are wide side decks with wing doors that lead to the beautiful portugese bridge with storage and access to the bow. On the bow she is equipped with windlass system, dual anchors, and seating areas to port and starboard.

Enter the salon from the aft deck area and you will find an inviting and spacious area and you get a real glimpse of the exceptional craftsmanship. The wood work is beautifully finished. The teak sole is comfortably carpeted in the salon. On the starboard side there are two barrel chairs and a media center with pop up TV in the middle. To port there is an L-shaped settee with cocktail table. There is ample storage, cabinet space and shelves located on both sides of the salon.

As we move forward the U-shaped galley and dining area are accessed by three steps up from the salon. The galley is to port opposite the dining area to starboard. The galley is equipped with (4) Sub Zero refrigeration/freezer drawers, Miele 4 burner gas stove and Sharp microwave among other amenities. A variety of storage lockers and drawers are available for flatware, glassware, dishes, etc. The dining area has teak table with seating for six (6) and a wine cooler.

Forward of the salon is the pilothouse with one bench style STIDD double helm chair

and a full complement of instrumentation, gauges, controls and recently upgraded Raymarine electronics. The recessed electrical panel is located just to port of the helm. Further outboard to port is a chart table area with flat storage underneath. There are doors on either side of the pilothouse for quick access to the side decks for docking and additional ventilation. The steering wheel is teak trimmed and just to starboard is the stairwell below to the staterooms.

Heading below via the curve shaped stairwell the master stateroom is aft, guest stateroom to port and VIP stateroom forward. The master stateroom offers an island berth queen with night tables, reading lights, built in desk, cedar lined hanging locker, and ample storage lockers and drawers. Natural lighting is plentiful with 4 port lights in the room. The en suite head is to starboard with arched door and trim molding. There is a separate shower stall with entry door and two shelves. Granite countertops, an opening port for more natural light, 3 mirrors forward (two of which open for medicine cabinet), and more storage make for a very comfortable master head.

Moving forward and to port is the guest stateroom with (two 2) single berths athwartship with mirrored locker located between them. The guest head, which is a bit more forward, is to starboard and is an all-in-one shower/head with the additional full size washer/dryer located within in an outboard locker.

The VIP stateroom is forward of the guest stateroom. It offers an island queen as well with easy steps access on either side. Reading lights, ample storage, drawers, opening ports, cedar lined lockers, and private en suite head compliments the master stateroom beautifully.

This was a brief description of the layout of this extremely elegant vessel. Please see features bullet list section for a more detailed inventory of amenities, electronics, and appliances.

Summary

ANG MO THE MERRIER IS SIMPLY STUNNING. THE VESSEL IS A FINE EXAMPLE OF THE PERFORMANCE TRAWLER THAT SETS ITSELF APART FROM OTHERS WITH ITS QUIET COMFORT, DISTINGUISHED FORM AND FABULOUS FUNCTION.
