DETAILED INFORMATION

Walk through

Deck area: Aft deck dining area is ahead of a large sun pad. Shade is provided by an awning that powers out from a compartment in the hardtop. There is a 4 person hot tub underneath the sun pads. Swim platform is spacious and is equipped with a hydraulic swim ladder. Tender garage houses a jet tender. More sun bathing area is provided on the foredeck, in addition to sofa seating that can accommodate the entire party. Salon: The main salon is large and very well appointed. It incorporated the galley and dining area in an seamless way. Convenient galley location serves al fresco dining on aft deck, flybridge and interior dinette. Electronic polarized and frost salon side windows are an upgrade not often seen on other vessels of this kind. The finishing and design as well as quality of materials are first class. Forward is a helm station and a dinette with plenty of seating. Lower level: Comfortable accommodation for six adults and 2 crew is housed within the interior of the Alpha 76 Flybridge. The full beam master stateroom has large hull side windows, which extend through into ensuite head and cedar lined wardrobe. Lined in accented marble the master head includes a large jacuzzi tub. The two VIP guest rooms offer island double berths and ensuite heads. Spacious staterooms and heads allow your guest to feel right at home. Lower deck foyer has a day head and a laundry room with linen storage. Crew can be accommodated aft with a separate access to their self contained quarters from the aft deck. Plenty of upgrades: Owner has upgraded this yacht practicality and convenience. Upgrades include but are not limited to Yacht Controller, new house batteries, new Mastervolt Charger/Inverter, new AC chillers with 5 year warranty, new 19" Garmin GPS 8500 Series with full engine display, V-KOOL front windows, new Simrad VHF, new mesh window screens, new onyx tables, new Sunbrella covers, upgraded stereo with Sonos sound bar, new flybridge settees, new carpeting and Logitech Elite remotes. Engine Warranties: Caterpillar main engines are covered with CAT extended 36 month/900 hour warranties. Warranties were placed on January 2019 and they are transferrable to the new owner and extendable. Caterpillar fully inspected, diagnosed and sea trialed the engines for the warranties.

Construction

Resin infused carbon/E-glass composite structure, engineered by Gurit (USA) Inc. Hull bottom cored with linear foam. Foam cored topsides, superstructure, decks, soles and bulkheads. Vinylester resins throughout. Epoxy barrier on hull bottom. Integral fiberglass tanks. Topsides and superstructure coated with Alexseal paint system. Tinted tempered glass windows, utilizing high strength, adhesion style window system. Honeycomb cored cabinetry and partitions. Antifouling bottom paint.

Salon

The main salon is large and very well appointed. It incorporated the galley and dining area in a

seamless way. Convenient galley location serves al fresco dining on aft deck, flybridge and interior dinette. Electronic polarized and frost salon side windows are an upgrade not often seen on other vessels of this kind. The finishing and design as well as quality of materials are first class.

Master Stateroom

The yacht has a fantastic full beam master stateroom mid ship. Storage is plentiful all around and a walk in closet is spacious. The master bathroom is large and comfortable and has a shower and a hot tub with hydro jets.

VIP Stateroom

The forward VIP stateroom gives plenty of space for your guests and has wonderful décor with upscale materials throughout. The attached VIP bathroom continues the feel of luxury with it's natural stone finishes.

VIP Stateroom Port

VIP stateroom portside features a large bed and plentiful space for your guests. The overall layout design allows plenty of space for all guest staterooms.
