SPECIFICATIONS

Overview

All freshwater boat!

The C34 Carver is one of the roomiest 34' boats we have had the pleasure to be involved with. Carver nailed it with the trending galley up and aft design. This design in conjunction with the dual hinged opening doors allows the salon and cockpit areas to blend seamlessly into one. The C34 offers a sizeable master stateroom and a starboard guest stateroom in her 2-stateroom 1-head layout.

This C34 is loaded with options and is equipped with the optional bow thruster, Sat TV, and Garmin Electronics. She has the Mercury Smartcraft DTS controls and is powered by twin MerCruiser 5.7 Horizon DTS with 300hp each (approx 380 hrs).

LEGAL MATTERS features include (but are not limited to):

- Service done (changed: oil and the filter) on the engines and the generator in July 2019
- Windlass battery newly replaced in July 2019
- Side Power bow thruster
- SmartCraft DTS Controls
- Twin MerCruiser 5.7 Horizon DTS with 300hp each (approx. 380 hours)
- 7.5kW Kohler generator
- Swim platform
- Smartcraft Vessel View
- Garmin GPS MAP XS with backup camera, plotter and fish finder
- M1 KVH Tracvision
- Trim tabs
- Sony MEX-M100BT Marine CD receiver with Bluetooth and AM/FM tuner
- Farenheit DVD with USB slot
- Clarion Premium Sound CMD6 with 4 speakers
- Whale Seaward Princess 2-burner cooktop
- Jabsco Spotlight
- Quick windlass with foot switches
- Windlass remote
- Sea grass carpet
- Bimini top
- Sun pads
- Flexiteak steps in the cockpit
- Black mesh windshield cover

...and many more!!!

Hull Configuration: Semi-Displacement

Hull Color: White

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 5.7 Horizon DTS

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Walkthrough

From the swim platform, two steps up to stbd is the transom gate to access the cockpit. The cockpit offers a large wraparound lounge seating extending from aft to port, speakers, and storage below the steps that lead to the fly bridge. Access to the bow can be gained from both the port and stbd sides via the port and stbd molded steps leading to the side decks with stainless steel grab rails. To stbd, just before the side deck steps is the stairway that leads to the fly bridge(storage below). Centerline is a dual glass salon entry doors that swing open to create one large entertaining space between the salon and cockpit. Moving forward, to port is the salon that features a settee and table that converts to a double berth. Opposite is the U-shaped galley with countertop, a deep sink, two-burner cooktop, microwave, refrigerator, and storage cabinets and drawers. Just forward of this area is the salon flat screen TV. Centerline, moving forward and a few steps down, to stbd is the guest stateroom privatized by a wood door complete with double berth, flat screen TV, round portlight with curtain, reading lights, and hanging locker. To port is the head that features vanity with solid surface countertop, square raised sink, overhead cabinet with mirrored front, bath & hand towel racks, and fiberglass stall shower. Full foward is the master stateroom where you will find a double berth, headboard, four round portlights with curtain, overhead lockable hatch with screen, reading lights, overhead recessed lights, hanging lockers on both sides, cabinets, and a flat screen TV. Up on the fly bridge, to stbd is the helm station complete with a plush swiveling helm chair, Garmin electronics, Smartcraft VesselView, SmartCraft DTS Controls, bow thruster control, Clarion, CMD6, and a lot more. There's a large lounge that wraps around to port and a wood table adjacent to it. Behind that is a sun pad outlined by a stainless-steel rail. This is where you will find the M1 KVH Tracvision as well. There is a bimini top that covers the bridge. There is also a snap-in woven carpet and speakers at the bridge.

Exclusions

Owner's personal belongings.
