## Overview

---

**Introduction** This beautiful boat is priced to sell and is the perfect vessel for someone looking to step up into the yachting world. Perfect for cruising, fishing and diving. The 12 foot deep cockpit and 12' beam provides plenty of space for the entire family, filling it with SCUBA gear or landing a monster fish. The bi-level cockpit bridge deck lifts at the push of a button to access the engine room for ease of maintenance. Below decks Tiara removed the forward stateroom bulkhead and the result is an open, very spacious and bright interior. The forward berth can be closed with a privacy curtain. Tiara has a well deserved reputation of building boats that are sporty and functional up above and luxury yachts down below. And this vessel was cared for by the owner of a storied yacht yard with over a century of history behind it. She has been perfectly maintained and all of the work has been top notch. You will not find another Tiara as well cared for as this one at this price.

## ACCOMMODATIONS AND LAYOUT

Forward berth with storage

Hanging locker

Port lights port and starboard

12 V DC lights

## GALLEY

110 V AC/12 V DC refrigerator
