DETAILED INFORMATION

Features

Roxy Maria is a flush deck motor yacht designed for an experienced owner who wanted a family friendly layout. She has a full walkaround deck with four spacious cabins, plus crew quarters aft. She is the perfect layout for extended cruising and is a pleasure to show with several must-see options and updates. The rich high gloss cherry wood interior layout starts with an open and inviting salon featuring large windows full of natural light. Moving forward as you enter the extremely spacious galley, there is a lavish Dayhead finished in marble to starboard. The Galley features a forward-facing seating area backed up to the granite counter top giving you a 270 degree view forward across the impressive lower helm. There are port and starboard access doors to the outside walk around, as well as stairs to both the Lower Deck and Flybridge. The Lower Deck features a luxurious full-beam master aft with natural light coming through large hull side windows and a large ensuite full bath. Each of the other three staterooms have private ensuite heads. The VIP is forward with full walkaround queen bed and plenty of wardrobe storage. The two midship cabins have side-by-side twins with additional Pullman bunks for up to three guests. The twin beds can also be brought together to convert to a single queen size bed. Headed back up to the main deck you have Flybridge accessed either by continuing up through the pilothouse stairs or the molded staircase on the aft deck. As you enter the Flybridge, you immediately notice the continuous flush deck from the aft rail to the forward helm. Under the hardtop it is fully enclosed with EZ2CY with plenty of air-conditioning, a fully-equipped wet bar, two large dinettes facing each other port and starboard with a large 60" Sunbrite television. Forward is the twin STIDD helm chairs and a fully equipped helm station with all new Garmin electronics. Headed back aft of the hardtop is the sundeck fitted with a proper BBQ grill and Quick Lift 1600lb davit for additional toys. With the new addition of a hydraulic extended swim platform, a tender can be carried down and quickly launched (a set of full-sized lounge chairs and sundeck furniture can be left in place). Heading back down thru the aft molded stairs, you land on the teak Aft Deck where there is a large inlaid table with seating for 10, complimented by a side board with refrigerator and overhead storage cabinet. There are docking wing stations on both port and starboard sides as well as port & starboard boarding gates for side-to docking. The full walkaround is an excellent practical feature to dock the yacht or just walk directly to the huge sun pad forward and dry off after a swim. Returning back to the transom, you also have euro-style steps down to the oversized swim platform. The crew quarters and engine room are accessed through the transom door. **Salon** Entering the Salon from the Aft Deck via full width stainless steel and glass doors is inviting with rich cherry wood and updated décor. Highlighted by oversized windows creating plenty of natural light and visibility while cruising or at rest. Starboard in the salon is a long credenza with ample storage and new 60" pop up smart TV, crystal cabinet and liquor storage below. The port side has a large couch and chaise lounge with ottoman, as well as, two electric

recliners. The AV center is aft to port, all controlled by a single command remote control entertainment system. **Galley** Well lit, expertly laid out and all the way forward on the main deck is the Galley area with a country kitchen layout. Large front and side windows offer a great amount of ambient lighting with a 270 degree view. The massive Galley satisfies the most demanding chef and boasts a huge forward facing dinette. The U-shaped dinette is raised to the galley counter height and gives an unobstructed view across the impressive lower helm console. The STIDD helm chairs rotate to add two additional seats at the Galley dinette by flipping up the galley table extension.

Abundant granite counter top area Teak & holly flooring throughout Seagull water purifier GE profile cooktop with 5 burners GE full oven GE profile microwave GE profile refrigerator with cherry panel GE disposal in oversized 60/40 stainless steel sink with disposal and Insta-hot water GE profile dishwasher with cherry panel Ample storage space with overhead and below counter cherry wood cabinets Pantry closet 28" Samsung smart television Dimmable LED lighting

At the bottom of the stairs one can go forward to the VIP stateroom and in the hall way is the laundry center with full stack GE washer & dryer. The sole is carpeted and the walls are finished with white whisper walls and cherry wood inlay and bright LED overhead lights. Moving aft is the port & starboard guest cabins as you approach the full beam master stateroom aft.

Master Stateroom The aft most cabin being the master is in the widest, quietest part of the yacht. Entering from the forward end the king size island berth is on the aft bulkhead. The headboard is mirrored and finished with cherry wood nightstands on either side as well as several large drawers under the bed. A total of six large hull side windows bring in the natural light. Hull side is 12 drawers under a makeup vanity desk to port and another 12 large wardrobe drawers to starboard. A full walk in closet as well as a second closet to starboard. On the forward bulkhead is a 32" Samsung television.

The ensuite head offers a marble counter with His and Her sinks as well as an oversized stall shower. The floor is marble and has a Headhunter toilet with plenty of storage and

vanity cabinet space. **VIP Stateroom** Featuring a centerline Queen bed with storage drawers below Mirrored headboard with sconces and overhead reading lights Cherry wood cabinetry high and low with plenty of storage cabinets port and starboard. Two overhead Bowmar hatches ensuite full head with large separate stall shower and marble counter & vanity, teak & holly flooring with Headhunter toilet 28" Samsung Television Hanging lockers port & starboard Updated LED lighting Digital AC control

Port & Starboard TWIN STATEROOMS (mirror image) Upon entering, you have two twin beds with a center night stand that can be shifted inboard to combine the twin beds to a full queen bed. The pullman berth on the inboard wall can fold down to accommodate a third guest bed. 20" television Digital AC control LED lighting Port lights outboard Ensuite full head with marble counter, teak & holly flooring full stall shower and Headhunter toilet
