SPECIFICATIONS

Overview

"Aquatini II" is a gorgeous Cherubini 24 Classic that has seen the best of care from a knowledgeable owner. In fact the owner liked this Cherubini so much he had a second 24 Classic built to use at his winter home as well! With the addition of now a third larger boat to the fleet, he has decided to sell one of the Cherubinis which presents a unique opportunity to buy a like new, low hour, previously owned late model 24.

"Aquatini II" features the upgraded Mercruiser SeaCore 350Mag engine with a Bravo III Drive all with under 150 hours of use! Her Honduran Mahogany decks were refinished by Cherubini within the past 3 years and the hull sides received a blue Awlgrip paint at the same time. With a full cover she has been pampered when not in use and has been kept on a lift or trailer while also being garage stored during the winter. Professionally maintained and with a recent computer print out on the engine it is easy to show that this boat was operated in a very caring manner. Aggressively priced and ready to be enjoyed, contact us for a showing appointment today!

Basic Information

Category: Cruiser

Sub Category: Classic
