SPECIFICATIONS

Overview

This one-owner 2007 43' Tiara Sovran "Panacea" for sale is new to the market. The sole owners of this 2007 43' Tiara watched as their vessel was being built in Holland, Michigan and have meticulously cared for her from day one! Full service records are available upon request. "Panacea" is loaded with options and upgrades and is powered by twin Volvo Penta engines with an IPS drive system. Joystick technology makes this boat easy to dock and maneuver in close spaces. There is a galley that is the size expected in a much larger yacht and an enormous amount of storage space throughout the boat. She is great for day rides, yet comfortable for long, extended stays aboard. "Panacea" is a must see! Call today to schedule a showing.
