## Overview

---

### **This IP40 Is As Clean As They Get!**

### **Be sure to watch the walk through video!**

Safe, strong and comfortable. It's easy to see why the Island Packet 40 is an ideal choice for so many serious cruisers. The ample beam makes the vessel feel much larger than other comparable designs. Loads of living space, massive storage, beautifully finished high quality interiors, and overbuilt construction make them legendary in the cruising community.

**Robinsong** has been pampered by her knowledgeable and attentive owners of the past 15 years. After extensively cruising the Bahamas and the US East Coast, they have begrudgingly decided that it is time to move onto their next adventure.

She is extremely clean everywhere you look. At this point she needs nothing to go cruising again. This boat is truly "turn key". She is extensively outfitted for long term cruising with loads of equipment and spare parts galore. In fact, there are neatly organized spares for almost every major system on board.

Just bring groceries, towels, and a few clothes then untie the lines.

### **Highlights Include:**

- **Full Electronics Including SSB and AIS**
