SPECIFICATIONS

Overview

ARIA.S Arcadia 100 yacht has been built with a 5-cabin layout and has been developed in collaboration with Francesco Guida responsible for interior and exterior design. Pleasure Vessel with VAT exposed and permanent crew on board. One of the most characteristic features of Arcadia yachts are the glass panels fitted with large photovoltaic cells in between two layers of glazing. Each of these double-glazing panels contain krypton gas guaranteeing a high thermo-insulating coefficient. The solar cells can generate up to 5KW enough to power almost all electrical systems on board. Thanks to a light-weight superstructure and eco-friendly self-efficient power systems, ARIA.S Arcadia 100 semi-displacement yacht requires just a pair of 1.000 MAN engines to top out at 16 knots. Furthermore Arcadia Yachts are known for their fuel-efficiency, so does the A100 not surprise by burning only 100 ltr/h (including generators) whilst cruising at 8 knots, or 200 ltr/h (including generators) cruising at 14 knots.

Basic Information

Category: Motor Yacht

Sub Category: Motor Yacht

Model Year: 2016

Year Built: 2016

Country: Italy

Dimensions

LOA: 101' 11" (31.06m)

Beam: 25' 6" (7.75m)

Max Draft: 4' 11" (1.48m)

MFG Length: 95' 9" (29.16m)

Speed, Capacities and Weight

Cruise Speed: 13 Kts. (15 MPH)

Max Speed: 16 Kts. (18 MPH)

Displacement: 275577.8275 Pounds

Gross Tonnage: 110 Pounds

Water Capacity: 818.9333612 Gallons

Fuel Capacity: 2641.72052 Gallons

Fuel Consumption: 58.11785144
Gallons

Accommodations

Total Cabins: 5

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Teak

Hull Configuration: Semi-Displacement

Hull Color: WHITE

Hull Finish: Steel

Engine Information

Engines: 2

Manufacturer: MAN

Model: V8-1000

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Aria.S's interior configuration has been designed to comfortably accommodate up to 8/10 guests overnight in 4/5 cabins, comprising a master suite with jacuzzi bathtub; on the lower deck is a 35 m² full-beam VIP cabin with two bathrooms, lounge/office and TV area. There is also an option to transform the suite into two cabins with a sliding door. 1 VIP stateroom with an opposite large studio convertible in another VIP stateroom, and 2 twin cabins. She is also capable of carrying up to 5 crew onboard to ensure a relaxed luxury yacht experience. ARIA.S comes with many details which can be found on her larger sisterships but also offers new features like the flybridge doubling as a convertible third-deck. Thanks to its electrically raised side windows connecting with the hard-top ensuring panoramic 360-degree views the flybridge can be completely closed. The wheelhouse located on the flybridge is fitted out with a lounging sofa-area and coffee tables, wet-bar and, externally in the aft, a sun-deck making this new feature of the A100 Arcadia 100 versatile, comfortable and practical. The master cabin is located forward on the maindeck and boasts spectacular 180-degree views and comes with an own private sun deck on the bow. The VIP cabins and two guest cabins are situated on the lower deck. The cabins and interior volume benefit of a 7.75m wide beam with the volume being just below 200GT. The main deck also features a large saloon and dining area creating a single and airy space which is directly connected to the cockpit. Characterized by the transparency of the vertical side crystals and the solar panels on the ceiling this grand living area is bright and lit by lots of natural light. Thanks to side sliding doors and gunwale balconies, the whole living area on the main deck can be transformed into a patio on the sea, creating a beautiful al-fresco dining area.

Navigation Equipment
