SPECIFICATIONS

Overview

This is a great example of the versatile and well built Edgewater 280CX. This original owner 2013 model is powered by reliable Yamaha 250 HP outboards. This vessel has an easy to maintain white hull and the factory hardtop. This model excels at fishing ability with transom live well, prep station with tackle drawers, rod holders in the gunwales, and under gunwale rod racks with toe rails. But the cruising amenities are plentiful as well with a well appointed cabin that has air conditioning, microwave, TV and an electric marine head. There is ample bow seating with an electric refrigerator in the cockpit with fold down seats that convert the large fishing cockpit to comfortable seating for cruising. Touch screen Garmin Chartplotter and bottom sounder make sure you are well prepared whether you are fishing or cruising and a Fusion stereo provides onboard entertainment. ASKING \$138,500
