SPECIFICATIONS

Overview

The 46 BF will excel as either an owner/operator or captained Viking. Offering simplicity and ease of maintenance, she's a ready-to-go fishing machine equipped for inshore and offshore missions as well as a versatile cruising boat with reliable inboard diesel power.

Cockpit & Command DeckThe 140-square-foot cockpit has room for the entire crew or family. The cockpit sole is built with a laminated in-deck mounting plate for fighting chair, rocket launcher or table installations. Standard equipment and features include a cockpit bait freezer with upper tray, in-deck insulated fish boxes port and starboard with overboard drainage, a walk-through transom door and lift gate, a transom fish box and live well, rod holders, tackle storage and fresh and sea-water wash downs. Two-person, mezzanine-style seats flank the centerline walkthrough, and there's refrigerated drink storage in the starboard mezzanine step, as well as ample general stowage throughout.

The 46 Billfish's command deck can be completely enclosed and is climate-controlled. "It's perfect for anglers who want to get off their feet and cool down as the boat moves from one spot to the next," says David. The command deck features a salon-like living area with a roomy U-shaped lounge and hi-lo table and a lounge that extends along the starboard side. Both seating areas hold rod storage underneath.

Like our legendary Viking convertibles, the 46 Billfish's flybridge is designed with a tournament-style center console walk-around helm. The 46 Billfish has Palm Beach-style controls and power-assist hydraulic steering. Seating includes a single Release Marine teak chair (a second helm chair is optional) and lounges to port and starboard and a forward console seat. Our subsidiary Atlantic Marine Electronics can build and install a complete package of navigation and communication equipment to deliver the boat turnkey ready.

AccommodationsRest up and recharge in the 46 Billfish's air-conditioned cabin. Featuring high-gloss teak cabinetry and custom Amtico flooring, the fully appointed starboard-side galley has an L-shaped Corian countertop, a two-burner electric stove, a microwave/convection oven, cabinet storage and under-counter drawer-style refrigeration with a built-in ice maker. The private head, which is conveniently located immediately to port of the companionway stairs, has a large walk-in shower with satin nickel fixtures, an attractive Corian-topped vanity with sink and storage and a medicine cabinet with mirrored doors. Easily accessible upper and lower bunks on the port side await weary anglers, and there's a hanging locker only a few steps away. The first-class accommodations continue in the private forward stateroom, with its island queen bed, a hanging locker, upper storage cabinetry and a flat-screen TV with stereo, speakers

and DVD player.

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2021

Year Built: 2021

Country: United States

Dimensions

LOA: 46' 0" (14.02m)

LOD: 45' 6" (13.87m)

Beam: 15' 4" (4.67m)

Max Draft: 4' 1" (1.24m)

Speed, Capacities and Weight

Displacement: 42865 Pounds

Water Capacity: 99 Gallons

Fuel Capacity: 632 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MAN

Model: 16

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Construction

• Ablative/copolymer antifouling bottom paint, 2 coats, primed • Awlgrip bronze thru-hulls throughout • Awlgrip anchor locker • Blister resistant modified vinylester resin in entire hull skin • Composite bulkheads — main engine room bulkhead, aft engine room bulkhead, rope locker bulkhead • Custom blended polyester resin used in structural laminates, topsides, bridges, and hardtops • Engine room, lazarette and forward bilge, Awlgrip • Fiberglass side thru-hulls • Fresh water tank, fiberglass • Fuel tank, fiberglass infused with fiberglass baffles inside and balsa coring on sides for stiffness, sealed to hull with resin foam • High gloss polyurethane boot stripe, premium paint • High gloss teak interior finish throughout, with satin nickel hardware • High performance isophthalic gelcoat npg superior gloss, flexibility and outstanding weathering characteristics • Holding tank, integral polyethylene • Hull, molded fiberglass construction, using closed cell foam core and balsa in selected areas for optimized strength and stiffness while minimizing weight • Molded fiberglass command deck floor/engine room ceiling with foam core for acoustic and thermal insulation • Nonskid for traction and durability • Stringers, fiberglass with integrated wire chases in select areas

Electrical

• 24V DC ship's service throughout • 24V/12V power supply with breakers on flybridge for future electronics • 110V outlet in engine room • Anchor light/navigation lights • Batteries, (2) independent 24V banks mounted in fiberglass storage boxes (2) • Battery charger, dual output with thermal cutoff • Battery distribution panel with battery cutoff and charging system breakers • Battery parallel system for main engines and generator start • Bonded electrical system with ground plate • Color-coded, labeled and numbered wiring system with corresponding drawings • Dimmers, on interior lighting in select areas • Engine room lights, DC with switch at helm • Generator, diesel - 13.5kW • Instrument panel backlights all electrical panels • Lighting, LED, recessed in ceiling, 24V throughout • Master electrical control panel located in galley with 24V and 120V circuit breakers, individual switching for shore, or generator supply and gauges for electrical supply, voltmeter, ammeter, and frequency • Receptacles, 120V duplex with GFCI throughout • Voltage stabilizer isolation transformer for more consistent, cleaner voltage

Mechanical

• 5 port oil exchange system, main engines, transmissions, and generator • Air

conditioning - direct expansion single zone with reverse cycle heat for interior climate control • Bilge pumps linked into monitoring system and connected to float switches for automatic and manual operation • D/C pressurized freshwater system with cockpit freshwater fill and dockside supply inlet with pressure reducing valve • Deck pump out fitting and direct overboard pump out for holding tank • Delta T engine room ventilation system with supply and discharge fans for proper fresh air supply and water intrusion suppression • Electro-hydraulic steering • External sea strainers, wedge type, for main engines • Fire suppression system, automatically or manually operated and tied into main engine and generator ignition systems with override • Freshwater supply in engine room for general maintenance and cleaning • Fuel and oil lines, flexible, steel reinforced USCG approved • Generator muffler, lift muffler with gas/water separator • Hour meters on main engines and generator • Internal sea strainers, basket type, Awlgrip white - generators & air conditioning • Main engine mufflers, double lift fiberglass with surge protection • PEX plumbing, freshwater system plumbing with manifold system shut off in engine room • Propellers - Class "S" pitch tolerance (ISO 484/2) and dynamic balancing. Advanced design cambered blade sections for optimum performance. Nibral alloy for maximum durability • Racor fuel/water separators for main engines and generator clear bowl type, top maintenance - includes vacuum gauge for fuel filter restriction, Awlgrip white • Rudders, bronze, with composite rudder bearing and dripless thruhull • Seacocks, bronze, ball type sea valves and strainers for all thruhulls below the water line, Awlgrip white • Shafts - Aquamet 22, double taper with machined keyway at main engine couplings • Steering system, Seastar Optimus • Struts, bronze • Trim tabs, electric, with LED indicators at both helms • Twin diesel engines with marine grade reduction gears and trolling valves. *See manufacturer's information for specifications • Water heater, quick recovery, electric • Y-valve emergency bilge pumps (2)

Flying Bridge

• Air horns, trumpet style • Compass, flush mounted at helm, lighted • Engine start/stop • Fiberglass helm pod with stainless steel steering wheel and Palm Beach style controls and station active keypad • Fire system control with automatic and manual discharge and override system located at console • Furuno RD-33 depth/temperature gauge and ICOM VHF radio • Helm chair, Release Teak ladder back (1) • Instrumentation based on standard engine package • LED spreader lights (with optional hardtop) • Radar pod (with optional hardtop) • Tricolor overhead lights at helm (2) (with optional hardtop) • Trim tab controls with LED position indicator at helm; (2) radio boxes

Command Deck

• Center engine room hatch • Fiberglass enclosure, 3-sided • Overhead lights • Port side U-shaped lounge seating, with bolstered white vinyl cushions, and fiberglass hi-low table,

electrically actuated for engine access with built in rod storage • Starboard side bench seating with rod storage with bolstered white vinyl cushions, electrically actuated for engine access • Stereo speakers, tied into stereo system in cabin with volume control at upper helm

- Windshield, front and sides

Cockpit

- Boarding box, fiberglass with nonskid, lift up top and storage • Cable TV and telephone connections wired to a home run, RG6 TV cable to accommodate satellite system, phone cable is CAT-5 to accommodate current data phone systems • Cockpit bait freezer w/upper tray • Dockside electric connection — 50 amp/220V electric, located under forward gunwale • Dockside water connection with pressure reducing valve under forward gunwale • Fishboxes, insulated, port and starboard, with hatches and drains plumbed to pump outs • Freshwater wash down with hose bib located under forward gunwale • Gaskets for all lids, doors and hatches • Insulated storage in port mezzanine step • Laminated mounting plate in deck for future fighting chair or table • Lazarette hatch for inspection of aft bilge • Live well in molded transom fishbox • Nonskid deck • Refrigerated storage in starboard mezzanine step • Rod holders, (4) stainless steel, flush mounted • Seat cushions on freezer and tackle locker • Seawater wash down with pump in engine room and supply under forward gunwale • Self bailing cockpit with large cockpit scuppers • Stainless steel cleats and hawse pipes • Stainless steel gas pistons on deck hatches and lids • Stereo speakers powered by interior stereo, same zone as command deck • Straps with padding to keep transom door and gate open • Transom swim step at transom door • Tricolor LED lighting under coaming and flybridge overhang • Walk-through transom door with lift gate

Galley

- Aluminum cabin door, access to command deck • Countertop, polished sandalwood-color Corian, stainless sink, with brushed nickel faucet • Electric 2 burner recessed stove • Exhaust fan • Flooring, Amtico vinyl • Headliner, Majilite, 1/8" foam & tricot backing • Lights, overhead LED lighting • Main electrical service panel, AC/DC, backlit for easy viewing • Microwave/convection oven located in upper galley cabinet • Refrigerator/freezer, under-counter drawer style, with built-in ice maker • Storage cabinets in upper galley, with varnished doors, finished maple interior • Storage cabinets and drawers in lower galley, finished maple interior • Water tank level gauge

Forward Master Stateroom

- Air conditioning with reverse cycle heat and temperature control (services whole

interior)• Bed, island queen, with wrapped foam mattress, drawers in face, storage underneath• Bedspread — quilted, designer style with pillows and shams (2), fitted sheet set• Flooring, Amtico vinyl• Hanging lockers (2), maple-lined, with drawer storage below• Hatch, Bomar, foredeck hatch with OceanAir screen and shade system• Headliner, Majilite, 1/8" foam & tricot backing, throughout• Lighting, 24V, overhead recessed in headliner• Starboard upper storage cabinetry• Stereo system with speakers, CD/DVD player and flat screen TV

Head

• Air conditioning/heat with vent in soffit• Countertop and sink, Corian, polished sandalwood color, with brushed nickel faucet• Exhaust fan• Flooring, Amtico vinyl• Freshwater electric head with holding tank and overboard discharge• Lighting, 24V, recessed in soffit and headliner• Lower vanity with storage• Receptacle, 120V, GFCI protected• Shower light• Stall shower, fiberglass with satin nickel fixtures and drain to automatic sump pump in bilge• Towel bars and rings, brushed nickel• Upper medicine cabinet with mirrored doors and storage

Miscellaneous

• Anchor — constructed with a high-tensile, corrosion resistant aluminum magnesium alloy• Anchor locker with access from foredeck• Anchor rode, 300' with 12' chain• Bow rail, anodized aluminum, brushed finish• Fire extinguishers - 2 1/2 lb portable (3)• Freshwater supply in anchor locker for general maintenance and cleaning• Fuel• Holding tank monitor• Mooring lines, braided nylon (6)• Open bunks: upper and lower bunks with wrapped foam mattresses, pillows and toss pillows• Sacrificial anode• Stainless steel bow, spring, and stern cleats thru-bolted to backing plates• USB receptacles, galley and stateroom• Viking one year limited warranty (available upon request)• Viking Smart Decor package• Water delivery kit with tool set (N)

Optional Equipment
