Hull Color: Navy

Hull Finish: Plastic

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSM 11

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Entry to the boat is gained from either the side coaming gates or through the stbd transom door via the teak covered swim platform. The cockpit is complete with teak decking, cockpit table, an L-shaped settee to port and double seat to stbd. As you move forward, to port is the cockpit sink with varnished teak lid and an undercounter U-Line ice maker with varnished teak louvered door. To stbd is the Kenyon grill and undercounter Vittrifigo compact refrigerator with varnished teak louvered door. Access to the bow can be gained from both the port and stbd sides. The side decks are outfitted with stainless steel grab rails. From the cockpit, entry to the upper salon is through the georgeuos stainless steel full-height tinted curved entry doors. Custom U-shaped settees are to port and stbd for casual entertaining. The stbd side settee is outfitted with a varnished table. The upper salon features varnished wood, a full Roman shade for salon door, and a retractable TV built into the forward end of the port side settee to allow easy viewing throughout the pilothouse. Forward of the salon seating is the helm steering station to stbd with a matching third helm seat to port. Each of the helm seats are Stidd seats with footrests. The helm has a satin varnished dash and outboard shelf where electronics are mounted. It is fully equipped with navigation instruments such as (2) Raymarine hybridtouch MFD's, Raymarine autopilot, Raymarine i70 4" multifunction display, (2) Vessel View SmartCraft Engine monitors, Jet drive remote joy stick, Standard Horizon Quantum GX5000S with RAM3 VHF radio, a teak rimmed steering wheel, and much more. The entire upper salon and helm area has excellent visibility and natural light coming from the large windows surrounding the area. The open overhead of the galley offers an atrium affect as a result of the previously mentioned large windows and natural light. This also allows easy communication between the galley and upper salon/helm. The galley is located forward of helm to port and down three steps. It features a U-shaped galley counter with a U-Line two-drawer type refrigerator, Seafrost refrigerator/freezer, 2-burner Kenyon cooktop, Dacor drawer type combination microwave/convection oven, sink, and many more. Across the galley is the dinette with L-shaped settee, adjustable table, and Samsung TV. This is also convertible to a second double bed. The Guest/Day Head is forward of the dinette to stbd finished in gelcoat with satin varnished Cherry bulkheads and satin varnished trim around mirrors, and lockers. The shower stall is forward with plexiglass door and divider with Grohe fixture and mixing valve. All the way forward is the master stateroom that offers a walk-around double berth with storage drawers under, port and stbd storage, overhead lighting on dimmer circuit, bulkhead mounted lighting forward and aft, overhead hatches, and Samsung TV with Blu-Ray player. Aft to port is an en-suite head with separate shower stall finished in gelcoat with a Cherry laminated interior bulkhead.

Exclusions

Owner's personal belongings.
