SPECIFICATIONS

Overview

LLC owned MOONDANCE is a truly outstanding 55 Selene.

She is an exceptional vessel throughout, plus she is the only 55 currently being offered. This only emphasizes her uniqueness and desirability.

A veteran of Alaska and Haida Gwaii, she is now ready to welcome her next family of adventurers aboard.

One of her sought after features is the large pilothouse area with room for a Stidd style helm chair. As with most cruising couples, 80-90% of their underway time is spent at the lower helm and this simple addition of the helm chair makes all of the difference for long range comfort and alertness.

Additionally, some of her recent upgrades and improvements include, but are not limited to:

- ***Bottom paint (2/20)***
- ***Full service on machinery (8/19)***
- ***Exterior detail (2/20)***
- ***New Sunbrella exterior canvas (12/19)***
- ***New FB enclosure (2018)***
- ***3 ea. new Nav Screens (11/19)***

MOONDANCE, as with all Selene Ocean Trawlers features a finely handcrafted rich teak interior with exceptional storage, spacious accommodations and comfortable furnishings. This 55' Selene offers 3 staterooms and 2 heads; The owner's stateroom is located mid-ships and features an island queen bed, the VIP stateroom is forward with a queen island bed and the guest stateroom offers stacked berths with the top berth converting into a double. All staterooms offer exceptional storage, air-conditioning and diesel heat.

DETAILED INFORMATION

Accomodations

Owners Mid-ships stateroom

- Queen size island bed
- Custom mattress by Seattle Mattress
- Custom bedding
- 2X night stands with drawer & cabinet storage
- Night stands also have AC duplex, CAT5, RayMarine I70 monitor
- 2X Chrome swivel reading lights
- 3X Cedar lined hanging lockers
- 6X Drawer & 8X cabinet storages
- Port side vanity with makeup mirror
- Sony TV and DVD/stereo system
- LED& Indirect lighting w/dimmer
- Reverse cycle air-conditioning
- Hydronic diesel heat

Owners bath/head

- Teak vanity with granite countertop
- HGC sink with a Grohe single lever faucet
- Medicine cabinet
- Towel storage locker
- Techma toilet
- Portlight w/screen
- GFCI protected AC duplex
- Stall shower with seat

Port Guest stateroom

- Stacked single berths the top berth converts into a double
- Custom mattress covers
- 2X Reading lights
- 2X Cedar lined hanging lockers
- Cabinet & drawer storage
- 2X port lights with screens & curtains
- Teak planked wall
- Desk w/chair, AC duplex, Cat 5, reading light & bookshelf
- Air-conditioning
- Diesel heat
- Teak & holly floor

Foyer

- Teak & holly sole
- Washer & Dryer cabinet
- ASKO P731 Dryer
- ASKO W6461 Quattro washer
- Kidde - Fire sentry
- LED overhead lighting
- Step lighting
- Under the foyer sole is the holding tank, shower sump, Rule 2000gph bilge pump

VIP stateroom

- Queen island bed with custom bedding
- 2X Ocean Frigit Swivel reading lights
- 2X fixed overhead reading lights
- 2X Cedar lined hanging locker with diesel heat loops
- 12X Storage cabinets & Storage drawers
- Manship skylight with Ocean-Air screen
- 4X Stainless steel round Port lights w/screens & S/S safety caps
- Cruise-Air Air-conditioning & kabola diesel heat
- Sony TV & Alpine stereo/DVD system with Monitor Audio speakers
- CO2 fume detector
- AC duplexes & CAT 5 duplex
- Variable intensity LED lighting
- Ensuite access to the guest head

Equipment located under the VIP berth

- 2X 8D AGM batteries for the bow thruster
- SidePower SP155TCI 24V bow thruster
- Rule 2000gph bilge pump

Guest head

- Teak vanity with granite countertop with under counter sink
- HGC sink with Grohe faucet
- Custom granite floor
- Techma toilet
- Stall shower w/temp control Grohe fixture
- 2X Portlights with screens
- Medicine cabinet
- GFCI protected AC duplex

Salon and Pilothouse

The salon is accessed via the aft deck through a Dutch style door. The salon is open and bright and offers large opening windows, teak & holly sole, an L-shaped port side settee that converts into a double berth, custom Selene dining table that opens to seat 6, two occasional chairs, large side table with exceptional storage and an entertainment center that includes a component stereo system and a Sony TV.

- Large leather covered L-settee that converts into a double berth
- Selene custom teak table with sliding top that seats 6
- Teak & holly sole
- 6X Opening windows
- Wood blinds
- Valances with indirect lighting
- 15X chrome trim LED salon overhead lights
- Dimmable salon lighting
- 3X Ocean Frigit reading lights
- 2X Occasional chairs with table
- Aft stbd end table with 4 drawers, AC duplex, CAT5, air-condition & diesel heat controls.
- 3X AC duplexes
- Lacrosse weather station
- Diamond Sea Glaze "Dutch" style salon entry door

Salon entertainment system

- Sony flat panel TV
- Denon DVD player
- Marantz FM receiver - mdl ST7001
- PorficientX stereo speaker control system
- Remote speaker & sound source controls throughout the yacht

Pilothouse

The pilothouse is accessible via four access points, the main salon, port & starboard deck doors and from the flybridge. The space offers a centered helm station with top of the line navigation equipment, a STIDD captains chair, a L-shaped cruising settee with teak table an "off-watch" sleeping berth, Air-conditioning & diesel heat and a Raritan ice maker.

- STIDD captains chair
- Leather wrapped L-shaped cruising settee with teak table
- Off-watch sleeping berth
- 2X Chart drawers
- 4X storage drawers built into the settee
- 1X large storage cabinet
- 2X Round windows

- 2X Opening windows
- 2X Dutch style deck access doors
- Inverted designed windshield for safer offshore cruising
- KIDDE fire extinguisher
- Cruisair air-conditioning control
- Diesel heat control
- AC duplex

Lower Helm

The helm station features an inverted windshield, upper and lower helm consoles with top of the line navigational equipment.

Lower helm console equipment includes:

Navigation:

- RayMaine Hybrid Touch computer system with a remote control
- RayMarine radar that displays on both the RayMarine & port Samsung monitor
- Nobeltec charting that displays on the starboard Samsung monitor
- 2X Samsung video monitors
- Interphase iscan 180 forward looking sonar
- RayMarine Smart autopilot with handheld remote
- Maingear computer mounted under the PH helm
- I-com IC604 VHF radio with remote mic
- Handheld VHF radio
- ARC spotlight remote control
- Ritchie compass
- SidePower bow & stern thruster control
- TRAC stabilizer control
- VDO rudder angle indicator

General equipment:

- Magnasine inverter remote panel
- Northern lights generator remote panel
- Maxwell windlass breaker
- C-Charles ISO Boost remote panel
- Johnson Pump - High water bilge alarm panel
- Windshield defrost system
- AC/DC power management panel
- 3X Mastervolt battery charger remote controls
- Cummins Smart Craft engine display
- Twin Disc EC200 electronic engine/transmission control
- Exalto windshield wiper control
- Kahlenberg horn

- Stereo control
- USB duplex
- 2X Xantrex Path Maker battery combiners
- Fireboy manual halon safety activation remote
- Raritan icemaker
- AC & CAT5 outlets

Upper helm console:

- Aquamatic water maker remote panel
- Selene safety panel
- Yanmar wing engine remote start panel
- 2X New RayMarine I70 display monitors
- 2X Furuno GP-37 GPS Navigators
- Cummins "Smart Craft" analog gauge package
- Weems & Plath barometer
- I-com IC-604 VHF radio
- 2X Red night navigation lights

Galley

The Galley was well conceived and offers the family chef plenty of food preparation space, a serving bar and good ergonomics for prepping & cooking meals as well as Granite countertops, quality appliances and a teak & holly sole.

- Granit countertop
- Serving bar
- Force 10 Stainless steel propane oven
- Miele dishwasher
- Double stainless steel sink with soap dispenser and Grohe faucet
- GE Spacesaver microwave oven
- Custom refrigerator & freezer
- 3X AC duplexes
- Xintex S-SA fume detector
- 9X storage drawer drawers
- 6X storage cabinets
- Sirena cappuccino machine
- Custom wine glass rack
- water purification filter system
- Galley side table
- 6X overhead task lights
- Opening galley window

Galley side table

- Teak countertop
- 8X storage drawers
- 2X large cabinets with shelves
- 2X small storage cabinets
- dry bar beverage bottle storage

Engines & Mechanical

The main propulsion for "Moondance" is a Cummins QSL9-405 405HP diesel engine with 1780 hours coupled to a TwinDisc 5075A transmission. The auxiliary engine is a Yanmar 4JH4EA 36kw/48hp inboard diesel.

Accessing the well designed engine room is easy with access from either the walk through door in the owners stateroom or via the hatch located in the galley.

Equipment housed in the engine room

- Cummins QSL9-405 405HP diesel engine
- TwinDisc 5075A 2.88-1 ratio transmission
- TwinDisc EC200 electronic engine controls
- Stainless steel engine beds
- Balmar mdl 9824-220 220A @24V alternator
- Leece-Neville mdl 8RG3081 high output alternator
- Main - Racor "Crossover" 751000MAX fuel water separator filters
- Generator - Racor 500MA fuel water separator filter
- Wing engine - Racor 75500MAX fuel water separator filter
- TRAC stabilizer system with a PTO running an Eaton pump off the main engine
- ESI fuel polishing system
- SidePower 24VDC bow & stern thrusters
- Reverso oil change system
- 3X CruisAir reverse cycle air-conditioning units
- Kabola mdl# SLV-10B hydronic diesel heating system
- Sea Recovery "Aquamatic" water maker
- Danfo 24VDC refrigeration compressor
- Potable water system with charcoal & PH filters and manifold to control water from the fore & aft tanks
- Solaire hot water tank
- Rule 3700 bilge pump
- High water bilge alarm
- Port & starboard fuel tanks with sight tubes
- Deck wash-down system with sea strainer & Flojet 4335 pump
- FireBoy MA2-1200 halon fire extinguishing system
- AC & DC task lighting & Non-skid decking

Wing engine - Get home system

- Yanmar 4JH4AE 36kw/48HP
- Engine serial # E06519

Electrical System

Electrical power is provided via the 240VAC dockside power, the Northern Lights 12 kW generator or the Magnasine 4 kW inverter system. The vessels power systems include 240VAC, 120VAC, 24VDC & 12VDC and are all managed through a power distribution panel that is located in the pilothouse.

- Northern Lights 12 kW generator with sound shield (1870 hrs)
- Generator Air/water exhaust separator muffler
- Magnasine MS4024 4kw inverter/105A DC charger with remote
- Main engine batteries: 2X 8D 200AH
- Wing engine start battery: 1X 200AH
- Generator start batteries: 2X 120AH
- House batteries: 6X 8D AGM
- 240V/50A shore power inlet & 50 shore cable
- AC & DC power distribution panel located in the pilothouse
- 120VAC and 24VDC lighting
- 120VAC & 24VDC engine room lighting
- 24VDC engine room vent blowers
- C-Charles ISO boost power transformers
- Nutone central vac system
- 2X engine room & 2Xaft deck cameras
- 2X Mastervolt 24/100 battery charger

Flybridge and Bridge Deck

The flybridge deck was designed to offer a spacious helm area and a large bridge deck that houses the 13.5' AB tender and the low profile power rotation davit.

The helm station has a full navigation suite, dual TODD captains chairs, a L-shaped cruising settee and a beautiful teak table.

Helm station

Navigation

- New RayMarine hybrid touch screen
- Argonaut Tflex G616 Navigation monitor
- I-com IC604 VHF radio

- Icom "Submersible Plus" Command Mic III
- Danforth compass with sun shield
- 2X new I70 RayMaine displays
- New RayMarine autopilot remote
- ARC spotlight control
- VDO rudder angle indicator
- TRAC stabilizer remote
- SidePower bow & stern thruster control

General helm area equipment

- Windlass remote control
- Twin Disc EC200 engine/transmission control
- Cummins analog engine gauge package
- Stainless steel destroyer helm wheel
- AC duplex
- 2X TODD helm chairs
- L-shaped settee & beautiful teak table
- Canvas covers for the helm, helm chairs, settee & table

Bridge deck equipment

- Non-skid decking
- Stainless safety rails
- Bimini top
- Wet bar with sink & prepped for a BBQ
- Selene power rotation davit
- Removable stainless steel dinghy chocks
- Jim-Buoy horseshoe throwable type IV
- AB 135VT tender with a 50HP Yamaha, Icom VHF & RayMarine DS

Lazarette

The spacious lazarette is easily accessed via a hatch in the aft deck. The space houses the vessels water maker & diesel heating systems and three battery banks as well as offering excellent shelf, rack & general storage.

- Aquamatic water maker
- Kabola hydronic 24VDC diesel furnace
- 8X AGM batteries in FRP boxes with a S.S. frame
- Main house bank DC fuse block
- 2X Cabinets with louvered doors
- Glendinning cabledmaster system
- DC task lighting

- Hynautic steering reservoir
- Stainless steel steering components
- Shaft - Strong Seal rudder post seals
- RayM. & VDO rudder angle indicator seoncor.
- Rule 2000GPH water pump
- Teak floor grates

Cockpit

- Teak decking
- Curved fiberglass with teak steps to the bridge
- Canas enclosure over the stairway hatch
- Port & starboard side deck boarding gates
- 250V/50A shore power inlet
- 4X deck cleats
- Transom shower
- Deck 24V shower
- Stereo system remote
- 2Z stereospeaks
- Deck wash-down system
- Fire extinguisher
- Transom door
- Magma propane BBQ
