SPECIFICATIONS

Overview

One of the most popular sport fishermen ever built with a tuna tower and 9'9" beam and over 80 Sq. ft. cockpit. This boat has reliable CAT 3208 power putting out 300HP, is clean with new awlgripped hull, new Strata-glass enclosure and is ready to fish with full electronics, trolling valves, outriggers, hydraulic deck lift and many extras. She sleeps 4 with air conditioning, a full galley, enclosed head with shower and teak and holly sole. A very striking boat. True to the Cary hull design the 33's trim well and run dry under the worst of conditions, are one of the best head sea boats built and don't suffer the roll of their convertible sisters. These boats are fast and perform up to their reputation as well or better than any boat in their class. She has a Deep-V fiberglass hull with a wide beam, plenty of flare at the bow and a sharp 21 degrees of transom dead rise. She has all the amenities and systems one could pack into a boat of this size. She is ready to fish and is being sold only because the owner plans more family cruising and will trade up for a nice, larger 35' Express with Tower. Low (1000) hours, Garmin 3210 Furuno 585 Garmin radar, New Tower, Outriggers, New Upholstery and Updated interior. All running gear was updated and a swim platform was added within the last couple of years. Fuel capacity on this boat is approx. 340 gallons. Fast and long range!

Basic Information

Category: Sport Fisherman

Model Year: 1981
