DETAILED INFORMATION

Vessel Walkthrough

Last Dance is a rare example of owners that maintained the vessel in immaculate condition. No expense has been spared on regular maintenance following all prescribed annual routines. Waxed every 3-6 months she sparkles. In addition her current owner continued to upgrade and add to existing equipment.

Upon entering the cabin of this beautiful yacht, you will enjoy the warmth and luxury of high gloss cherry cabinets, cherry blinds, Ultraleather upholstery and wood flooring throughout the salon, galley, and forward cabin.

The open cabin of the 450 Sundancer stretches all the way from the spacious galley and combination salon/dining area back to the dedicated media room. It invokes the great room concept of many modern homes but is rendered in the ultimate mobility of Sundancer design. This open-concept design makes the yacht airier and more spacious with a modern sensibility that will suit trendsetters.
