## Overview

---

From their inception, the Nordhavn has been held as the bench mark for ocean cruising trawlers. The Nordhavn 46 is an icon of world cruising boats. PAE created an amazing package of excellent construction, fit finish and safety. "Nova Jornada" is in very good condition and has been lovingly cared for by her present owner. All systems have been inspected and serviced as needed and improvements made to create a very comfortable and trustworthy yacht. She is the much preferred "B plan" which has the master stateroom forward and a very accommodating guest cabin to port. This boat is a wide body with the side deck to starboard. She has just completed the Great Loop and is ready to go again. Some highlight features: Niald Stabilizers, full array of new state of the art Simrad Electronics, New refrigerator, New Splendide washer dryer, Full screen room for the cockpit, dinghy storage on transom as well as coach roof. Mast height is 28 feet when erected. 18'6" when lowered. Don't miss the opportunity to view this fine vessel.

# DETAILED INFORMATION

---

## Overview

---

**Interior Accommodations and Layout** Entry to the boat from the pier can be gained through forward deck gates, port and starboard, bulwark door to starboard and through a transom door. The interior can be accessed from doors port and starboard in the pilot house and a door in the aft salon bulkhead. The salon and galley are at cockpit level. There is an L-shaped leather settee to port with a fold out table and two leather recliners to starboard. The full galley is located forward in the salon. Forward to starboard are the stairs to the pilothouse. The pilothouse offers excellent visibility for ships operation. There are also three aft facing cameras integrated with the two plotters. Full instrumentation for the engines is over head. Aft in the pilothouse is a convertible settee/pilot berth with a table. Back in the salon and next to the pilothouse stairs are the stairs leading to the guest and master quarters. The Guest cabin is immediately to port and the guest/day head is to starboard. The Guest quarters include a convertible sofa which makes into two large bunk berths and a desk. The engine room is accessed through a door in the guest cabin. The head offers an electric toilet, vanity with sink and a separate shower stall. The master suite has a walk around island queen berth, a large dressing table and lots of storage. The master head has an electric toilet, vanity with sink and a separate shower stall. All interior bulkheads are teak or white laminate. The head liners are stretched vinyl with teak battened seams. The sole throughout is teak and holly. All interior doors are louvered teak. Salon
