SPECIFICATIONS

Overview

This 2007 Marquis 55 LS for sale just arrived in Florida in November of 2019. She has spent her entire life in freshwater and is in pristine condition. An opportunity to find a yacht of this age, in this shape and already in Florida is hard to come by. The pictures and video showcase this very well cared for vessel. If you enjoy music on the water there is \$35,000 in upgrades just in the stereo system. JL Audio amplifiers and speakers on the exterior (including the hardtop) and Focal speakers (with Marantz Surround Sound) in the salon create a symphonic experience normally reserved for Mega Yachts. New Flooring and Carpet were installed throughout the vessel in June 2019. Night time navigation is made easy with FLIR.

New Raymarine Equipment added by current owner. Upgrades include: Acxiom Pro Plotters, Radar, AIS, Radio, Multifunction Display in stateroom and updated Autopilot. Two separate transducers allow for redundancy in shallow water. Bow and Stern Thrusters (stern thruster upgraded) and all-around high definition cameras allowing for very easy maneuvering.

All batteries were replaced in summer of 2019. Many other upgrades made by the current owner.

During the northern winters "Drumbeat" was always stored in a heated shed. This yacht is beyond clean and is ready to go to enjoy her first Florida winter.

There are three guest staterooms and an area for one crew member with its own separate head. The master has its own separate shower as does the VIP. The second head for guests is split between the VIP and Guest Staterooms.

Recent Survey (completed in October 2019) is available for qualified buyers. Full-service records are available.

A Caribe 12 Foot Tender (2012) with Yamaha 40HP Outboard and new Raymarine Acxiom navigation system is included as well.

Basic Information
