SPECIFICATIONS

Overview

New Bridge & Aft Deck Enclosures On Order This 39' 2001 Carver Aft Cabin 396 Diesel Motor Yacht combines dramatic styling beautifully with her expansive interior. Powered by the preferred Volvo diesel engine package, 'Prime Time' certainly lives up to her namesake! Her wing doors and hardtop provide excellent protection from the elements on the aft deck. Take only a few steps up to the completely enclosed helm deck, complete with her centerline helm, welcoming wrap-around seating and wet bar! The forward stateroom has offset berths that can sleep up to 3. The guest/day head has a toilet and sink to starboard and a separate shower on the port side. The galley has a very large stand-up refrigerator with freezer down, 3-burner Princess stove, Sharp carousel microwave oven and plenty of room to whip up a delicious meal. The spacious full beam salon has almost seven feet of headroom. The detail to woodwork is excellent in the salon and throughout.
