SPECIFICATIONS

Overview

Established in 1928, Marine based in Hinckley Yachts continues its luxury powerboat building tradition with the center console 29. With its stunning lines and glistening brightwork BELLA, Hinckley ID# 29052, epitomizes yachting at its finest. She has a dark blue hull with polished teak toe rails. The downeast pedigree of her design and fine craftsmanship have made the Hinckley 29C one of the most beautiful center consoles in the water!

Propelled by a jet drive, the Yanmar 440 hp inboard engine stays quiet under the very well insulated engine hatch. The boat can be controlled with the captain's wheel and throttle or with the Hinckley JetStick which allows the skipper to maneuver at low speed in close quarters with ease. Excellent high speed handling and the shoal draft aspects of the jet drive are also a plus.

Expert service is never far away as Hinckley has service centers in S.W. Harbor & N.E. Harbor Maine, Portsmouth Rhode Island, Stamford Connecticut, Annapolis Maryland, Oxford Maryland, Savannah Georgia, Stuart Florida and Naples Florida.

Basic Information

Category: Center Console

Model Year: 2003

Year Built: 2003

Country: United States

Dimensions

LOA: 29' 0" (8.84m)

Hull and Deck Information

Hull Material: Other

Engine Information

Engines: 1

Manufacturer: Yanmar

Engine Type: Inboard

2500	24.2	21.0	13.6	178	154
3000	36.8	32.0	17.5	210	183
3200	39.9	34.7	21.9		
182	158				

Salesman's Remark

BELLA is one fun boat to drive. The jet driven Hinckley Center Console 29 handles like a

sports car at speed and makes any captain look like a pro at the dock while one handing the JetStick. And maintenance is a snap as the engine hatch lifts with the flick of a switch. The carbon fiber and Kevlar composite hull in touch as nails. Plus, she is a head turner. You will love this boat
