SPECIFICATIONS

Overview

This Maxum 3000 has beautiful lines, the accommodations are quite generous inside and out. Maxum's 10-foot beam, results in a big interior for a 30-footer. The mid-cabin layout is arranged in the usual manner with a double berth fore and aft, a convertible dinette, complete galley, and a stand-up head with sink and shower. A curtain forward and a folding door aft separate the sleeping areas from the salon and the cabin headroom is excellent, even in the aft cabin. Outside, the cockpit is set up with a "U" lounge and a double-wide seat at the helm. A windshield walk-through provides access to the sun pad and bow platform. Over 5k spent in the past month on new exhaust and New carburetors.
