SPECIFICATIONS

Overview

Miss Caroline offers the highly sought after 3 stateroom / 2 head layout that so many traveling programs are looking for these days. She brings all this livability to the table along with an easy 30 kt. cruise, ample fuel, great fishing platform and the soft ride that this boat is known for. She has been maintained very well by her one owner and only has 1100 hours on CAT C-32 power. This is a lot of boat for the money and she shows really nice. Please give us a call if you are in the market for a well kept rig in this class. You will be pleased with all that she offers.

Jeff James (252) 216-6913

Basic Information

Category: Sport Fisherman

Sub Category: Sport Fisherman

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Finish: Steel

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C32

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Hatteras 54 Convertible is designed specifically to deliver a smooth ride and excellent handling while operating at high speed. The convexity in the hull bottom helps make this hull immensely strong. The slight outward curvature (viewed from keel to chine) reduces impact accelerations and contributes to an incredibly smooth head-sea ride. The 54 is designed for serious sportfishing. The cockpit boasts a bait and tackle center with sink, cutting board and tackle drawers; a bait freezer; storage console with drawers, four rod holders; a removable, full-size in-deck fish box with macerator and an amply proportioned transom door. Inside, the salon/galley provides an L-shaped sofa and entertainment center. The entertainment center features a TV, AM/FM surround sound stereo receiver with DVD/CD player and VCR. The fully equipped galley offers natural wood cabinets, four-burner cooktop, garbage disposal and sub-zero style freezer and refrigerator drawer units. The microwave/convection oven is cleverly concealed by the cabinet door. This handsome galley is also practical. The Amtico vinyl strip flooring resembles teak but is almost effortless to maintain. Galley storage is awesome with six exceptionally deep drawers. The chart flat area provides additional storage and is easily accessed via two cleverly designed deep drawers in the aft galley backsplash. Convenient, eye-level bulkhead access to this area offers even more storage opportunities within easy reach of the galley and dinette. The master stateroom features a queen berth with cedar-lined storage underneath, air conditioning disbursement through fluted wood valances for uniform comfort, and a concealed pocket access door for privacy. The entertainment center includes an LCD screen TV and AM/FM stereo receiver and CD player. The private master head includes a stall shower with seat, solid surface countertops, and easy-care Amtico vinyl strip flooring.
