DETAILED INFORMATION

Remarks

A truly remarkable liveboard/cruiser with a one level floor plan, and an enormous sun deck make this well cared for Bluewater an excellent choice for extended stays. Low hours on the desired Cummins motors! Cypress Queen has been donated granting the opportunity to lease interest free over a three year period with an option to transfer the title.

May 2020 yard visit:

- Bottom Paint and Propspeed
- Rebuilt hydraulic lift trim cylinders
- New lift support brackets
- Added Walker Airsep system

Walkthrough

Boarding the Cypress Queen is via the midship side decks or the aft cockpit. Boarding from midship a sliding patio style door sets the tone as you enter a spacious open floor plan. The salon is adorned with a home style sleeper sofa and a swivel chair with a matching foot rest.

The ships compact lower helm is located forward to starboard along with the ships main AC/DC distribution panel.

Down two steps is the VIP head with an electric Raritan toilet and a molded fiberglass mini tub/shower.

Furthest forward is the VIP guest stateroom with a queen sized island style berth and a maple pocket door for privacy.

Aft of the salon is the galley with a (2) person breakfast bar to starboard, and a (4) person booth style dinette with a Corian table to port. This well equipped galley includes a full sized upright refrigerator, cooktop, convection oven, and dish washer.

Furthest aft is the master stateroom with a walk around queen berth athwartship. Plenty of storage can be found in cedar closets, as well as drawers under the bed. This stateroom has a mirrored vanity and an en suite head. The master head has a fiberglass molded mini tub/shower and an electric Raritan model toilet.

The cockpit features a hydraulic swim platform, a hot and cold shower, and built in fender storage. Stainless grab rails and molded steps make access to the flybridge a

breeze, while the large sliding glass door into the master provides private access and great views.

Access to the fly bridge is via (6) molded steps from the cockpit, or (5) molded fiberglass steps from the either side deck. Cypress Queen has the desirable full length hardtop option, which provides plenty of shade for this (15) person seating area.

The helm has a drop down isinglass enclosure as well as U-zips on the aluminum windshield which fully protects the captain from the elements. An electronically controlled pod stores the navigation electronics when not in use.

Foredeck

- Fiberglass Non-skid Decks
- Stainless Steel Bow Rail
- (4) Stainless Cleats
- CQR Style Anchor
- Maxwell Windlass with Rode and Chain
- Windlass Foot Switches
- Bomar Deck Hatch
- 50 amp Shore Power Receptacle
- Black Textilene Windshield Cover
- Horn

Salon

The Salon is entered via the sliding patio style door on the starboard side deck. Immediately forward is the ships lower helm, while outboard is a house hold style sleeper sofa. The Salon is open and inviting with maple joinery, expansive windows, and open to the galley, designed to make the owners feel at home.

Also in the salon:
