2006 420 Express Cruisers

Low Fresh Water Hours / Well maintained

"ZERO STRESS"

Cruisers Yachts and Sport Boats are more than just boats - they're family. From the unrivaled quality, style, and luxury of a Cruisers Yacht to the fast and stylish, smooth and comfortable Cruisers Sport Boats, you'll never want to head back to the dock. "Zero Stress" does more than just live up to her name. Although she is currently boating nearly every weekend, she still boasts low fresh water hours on her twin 8.1 Volvo engines. The Volvo engine is the biggest gas engine made by Volvo. It is a 42% increase in engine displacement over the 5.7L model, but this model yields only 17% more HP. That is because Volvo has detuned this engine for fuel economy & longer life. The V-Drives offer great performance, requiring less service & maintenance. "Zero Stress" invites guests aboard a multi-level open concept cockpit area to easily entertain. Her walk-thru windshield provides easy access to enjoy sunning on the bow along with comfortable sun pads. Below deck, "Zero Stress" hosts you & your guests with style. Her beautiful rich cherry wood cabinetry sets an upscale tone throughout the salon. The unique L-shape Flex-steel sofa converts into a guest bed. Built-in Vacuum ports make clean up a breeze. Standing separate shower in the head is desirable for most. Two a/c units to keep you cool in the hot summer months! "Zero Stress" is ready and waiting for her new Captains! This vessel is turnkey. Why wait?

Let's go boating!
