SPECIFICATIONS

Overview

ALEXIS has had only two owners since new. The current owner's have had the yacht a little under 5 years and have given her meticulous professional care and extensive updating including New Garmin Electronics in 2019.

All of her shipyard periods have been at the Merritt Shipyard in Pompano FL. Extensive maintenance records are available to the buyer. While the yacht has a generous private crew quarters aft ,she is the right size for the knowledgeable owner to operate.

ALEXIS offers large walk-around side decks with port and starboard access doors from the lower pilothouse helm. She has a spacious flying bridge layout ideal for entertaining and a "hard top" for the much needed shade. The West Bay 68 offers one of the best layouts, with her 20' Beam she offers the volume and feel of a much larger vessel. With her dependable CAT 3412 Engines at 1400hp, she offers a good cruising speed as well as long range with her 1,800 gal. fuel capacity. Your inspection is encouraged and offers will be considered.

DETAILED INFORMATION

Walkthrough

Upon entering the yacht from the "tide ride" stairs to port or starboard and walking aft along generous walk-around decks, the aft deck is teak covered and ideal for dining around the molded-in sofa lounge with dining table on a stainless pedestal. There is a wet bar with refrigerator servicing the aft deck along with generous storage. There is also aft deck controls for shifting and bow thruster.

European style steps both to port and starboard down to the teak covered swim platform with a water tight hatch leading into the crew area/utility room and full stand up walk around engine room. From the aft deck through dual stainless steel doors you are led into the large main salon with a built-in new Samsung TV on a lift to starboard and a large U-shaped sofa to port.

Proceeding forward is the integral galley open to the pilot house complete with full-size appliances. Further forward is the large lower pilot house with excellent visibility and a large settee for dining or comfortable seating while underway. Down the companion way to starboard to the three guest ensuite staterooms. Forward is a spacious VIP suite. Just aft in the hallway to port is the upper and lower guest staterooms. Aft is the large full-beam master stateroom featuring a queen size walk around berth, hanging lockers and full bath. From the galley/pilot house are easy steps up to the flybridge upper deck, ideal for entertaining and dining. The view from the upper deck is exceptional and offers weather protection with the full size hard top. The tender sits thwart ship with a 1500 lb. hydraulic davit.
