SPECIFICATIONS

Overview

Eleonore has been designed by Werner Yacht Design in collaboration with an experienced Dutch owner. Custom-built by Mulder Shipyard in the Netherlands, she is the epitome of elegance. Great effort has been made to keep the draught to the absolute minimum of 1.30 meters. The yacht has been exclusively laid out for family use and offers three cabins, all with bathroom ensuite. Her interior gives the owner's family plenty of space to stay on board for longer periods of time. More info and photos soon.

Contact Bart de Ven for pre-information.
