SPECIFICATIONS

Overview

ACCOMMODATIONS

Guests

For up to twelve guests in five ensuite cabins. Full beam 180 degree view master cabin on main deck. Four guest cabins amidships, accessed from main salon. Consisting of two double cabins sleep three each (with Pullman berths), and two twin VIP queen cabins, all with ensuite bathrooms with stall showers.

Crew

Four cabins sleeping seven crew.

MAIN DECK

Standing at the starboard entry at the center of the starboard side main deck you enter into the large open salon space, with the stairs leading to the four guest suites below in front of you. Across the stairs is the main deck formal bar, with formal dining area (seating for 10) to the right (for'd end of salon). Port side is the entry to the stew pantry and galley, which further leads to the crew area (forward and below). There is a separate crew entry from the port side deck.

Aft of the guest stairwell/Bar and dining area, is the spacious main deck salon, which features all new contemporary, but relaxed furniture and accessories, which along with new headliners and LED lighting, gives a light and airy feeling. Aft are the automatic sliding glass/stainless doors which access the covered aft deck, which features a casual U-shaped seating area, with stairs on the starboard side leading to the sky lounge deck and access port and stb'd to side decks for'd and swim platform aft.

Leading for'd to stb'd from the dining salon, is a companionway with stairs to the upper deck, on deck powder room and on deck owners suite all the way forward.

Upon first entering the master suite, which is full beam forward, you are struck by how much light comes into both the study area upon entry, past the walk in closet inboard and up a step into the master bedroom, which features a forward facing bed, with panoramic 180 degree views, with popup TV. The marble ensuite head, port and aft, features beautiful honey onyx, which offsets the dark mahogany.

Full Beam Master Stateroom, Main Deck
