Overview

First launched in 2001, this steel and aluminium 43 metre CRN motor yacht really belies her age.

Powered by CAT engines and generators (overhauled and brand new in 2017 respectively), the current Owner maintains her in excellent condition and runs her as a professional charter operation based in the Eastern Med. With a recently refreshed contemporary interior design by Nuvolari Lenard, big volume interior, practical 5 cabin charter layout, and the remainder of a 5 year warranty on her recently overhauled main engines, she would make an excellent second hand purchase either as a family or charter yacht. Priced very fairly and with a motivated seller, inspection is highly recommended.**Key features**

Stairs then lead down from the main lobby to the lower deck guest cabins. Large windows here guarantee lots of light to the full-width VIP cabin situated amidship aft.
