The Bertram 510 convertible is an iconic sportfisher offering a ideal blend of full blown fishing boat and luxurious flybridge cruiser. This particular example that is lying here in Phuket is Thailand registered fully optioned and could ideally be used in a commercial situation or private use. Powered by reliable MAN 1050hp shaft drive engines and a Kohler 20kw genset (2012) all the machinery is in excellent order and no expense has been spared on the upkeep of this boat. The electronics were recently upgraded to Furuno glass and has two independent transducer fishfinder units.
