Remarks

"Gail Force Too" is the 12th 85' Pacific Mariner launched in 2008 with a Hull design by the world-renowned Bill Garden. This is the same hull design Westport uses in the construction of the 130 and 40 meter series. Garden's design delivers great performance, excellent fuel efficiency and perfect Bahamas-friendly shallow draft.

Easy to maintain with a light crew, this American built "pocket yacht" lives like a 100' plus platform and is unequaled in her class. Easily the nicest 85' 2008 Pacific Mariners on the market today!
