## Overview

---

The 2011 50' VIKING CONVERTIBLE "LET'S ROLL" is powered with the upgraded MAN 1360 HP Common rail engines. Let's Roll features a three stateroom two head layout with beautiful satin teak throughout. She has been maintained by a full-time captain. Some recent upgrades include new Garmin 7616, new fusion stereo with JL speakers, Garmin weather, and new enclosure on the bridge. In addition, new bridge, and cockpit mezzanine cushions, recent 1000-hour engine service, and bottom job. This vessel is equipped with water maker, Eskimo ice chipper, and Palm Beach tower. LET'S ROLL is truly turnkey and ready to take you fishing or cruising. We invite you to make an appointment to today!
