## Overview

---

The 281 Billistic is built with enough capacity to be a true fishing machine but has the fit and finish to be the family boat. The 281 Billistic has a large fuel capacity, a fully functional head with freshwater and it built with the highest quality materials. This boat has been dry stack stored inside from day 1. The fish boxes and seawater pumps have never had saltwater used in them because this owner does not fish. With only 40 hours and 4 years of warranty remaining on the Yamaha's this virtually a new boat a used boat price!
