# DETAILED INFORMATION

---

## Description

---

The 541 Sedan is the first Meridian to come standard with Zeus, one of the most technically advanced propulsion systems in the world. So at nearly 54 feet in length the 541, with its twin independently articulated Zeus pod drives, feels effortlessly maneuverable and intuitive to control. Impeccably designed living spaces and sleeping quarters create a welcoming, relaxed atmosphere onboard. The three-stateroom, two-head layout provides berths for six passengers, while a convertible dinette can accommodate two more. The gracious comforts inside are mirrored in the 541's exterior spaces, as well: The aft cockpit blends seamlessly with the adjacent galley, while the flybridge with optional full-cover hardtop can provide seating, refreshments and entertainment for the whole crew.
