## Overview

---

Luca Brenta was given the brief to create a fast and comfortable family cruising yacht with sailing ability being paramount and that is the essence of Camilla. She is luxurious, sturdy and capable at sea. Always being maintained by professional crew and caring Owners, the maintenance level has always been above and beyond what is necessary and always keeping her original brief in mind.

Two private Owners since new and never available for charter. She has successfully cruised each summer throughout both West and East Mediterranean and turns heads where ever she goes.

A truly stunning yacht that matches performance with style and comfort. Excellent sea keeping characteristics ensures safe passage making.
