SPECIFICATIONS

Overview

Why Not' is a fantastic example of hull number 3 with a master cabin forward in addition to the already equipped cabin crew.

This Swan 56, is one of the few models really suitable for cruising and regattas because it has the primary winches in the aft cockpit; the boat and its equipment are in excellent condition always well maintained.

The boat was curated by authorized Nautor Services shipyards such as : Nautor Villefranche, Jamestown Boat Yard Newport, NEB Newport Boat Yard and EMV Marine Barcelona.

This last shipyard is where the refit was performed, in 2018, in addition to many other works done and the generator was replaced too.
