BELLA GIORNATA HIGHLIGHTS

BELLA GIORNATA: THE BEST LAZZARA MODEL FOR SALE TODAY

BELLA GIORNATA is the best layout of any Lazzara. With a Bahamas-friendly draft, the yacht is in turnkey condition presented for sale by IYC. Boasting incredibly low engine hours, an open flybridge for socializing at its best and an on-deck Jacuzzi, this 94' (28.65m) motor yacht is a fast and spacious option.

Built in 2000 by family-owned, Florida-based shipyard Lazzara and refit in 2017, BELLA GIORNATA possesses a shallow draft for cruising the warm waters of the Bahamas. A lightweight fiberglass hull and superstructure make her comfortable to ride and easy to maneuver, while her chic and sophisticated interior is a light-filled haven full of decadence and marble detail. Tapping out at a maximum speed of 24 knots, she is ideal for island-hopping adventure, transporting her guests between locations in comfort and style.

BELLA GIORNATA accommodates eight guests in four contemporary cabins, including a full-beam master suite with a marble-clad ensuite bathroom. Refined details and finishes run throughout. Formal dining on the main deck is accompanied by a cocktail bar for evening aperitifs.

On the open flybridge, a second helm position gifts panoramic views with comfortable seating under a hardtop and large oversized sun pads aft. There are multiple options for al fresco dining, while forward on the bow a cozy sunpad provides a private nook in which to sunbathe in private.

BELLA GIORNATA is a two-tiered semi-displacement yacht for fast-paced cruising. A large tender garage comfortably stores two Jet Skis for fun on the water, matched by a generously sized engine room. Affording a large amount of interior space for her size, her cream-colored interior creates an inviting ambience in which to relax, entertain and enjoy life at sea. She is presented for sale competitively priced and with her US customs pre-paid.
