SPECIFICATIONS

Overview

Built by Notika Teknik in 2004 she benefitted from a refit in 2012 and is in beautiful condition. Her design is the work of two world renowned names, with her exterior by Dixon Yacht Design and her interior by Evan K. Marshall. She represents an appealing fusion of traditional and modern, and her sleek lines cut elegantly through the water reaching top speeds of 26knots.

With *Sanjana's* name meaning 'harmony' in Sanskrit, she mirrors her name and is a truly harmonious on-water retreat. Cream furnishings are complemented by dark woods to create a soothing environment that invites guests to relax and recharge. At the heart of the yacht, the main salon has a large seating area and coffee table and state-of-the-art surround cinema system. A separate dining table, with seating for all 10 guests, is positioned forward of the main salon and is directly served by the adjacent galley.

Able to welcome up to 10 guests, with five crew on board, *Sanjana* has four ensuite cabins including the generous full beam Master, a double and two twins with a double and single bed. All cabins have been tastefully designed with the purpose of being a haven for guests to retreat to. Guests are able to enjoy all the latest entertainment equipment and full connectivity throughout the vessel.
