SPECIFICATIONS

Overview

Designed & built under the supervision of Art DeFever, this is a highly specified, strongly built, immaculate, turn key, long range trawler and one of only a few GA53's delivered. Big enough for the Bahamas and small enough for the Great Loop or the Canadian Canals. Nagari features twin CAT 3126B engines, two Northern Lights generators, NAIAD Multisea Stabilisers with upgraded 7sqft fins, a near new always covered Brig 380 Center Console Rib with a 40hp Honda outboard, custom chocks, electronics and a 1500lb davit. She also features 600 GPD water maker, and an Intellian i4 satellite TV. She had new bottom paint this year and has just completed a three-month Bahamian cruise and the Down East Loop including the Erie and Rideau Canals, the St Lawrence River and Nova Scotia before returning to Florida. With full walk around decks, a large integral low level boarding platform with three large relocatable staples railings and a very robust boarding ladder, oversized ground tackle, a Portuguese bridge and a very high flared bow with secure stanchions she is a safe and comfortable offshore cruising boat but still remains a handy size to be handled by a couple and to find available docks and get through tight locks and canals. In every area of the yacht's interior you will feel comfortable and relaxed, surrounded by the beauty of the satin varnished teak paneling, and the exterior gleams as well. All the external cushions have been recently replaced and a custom settee with internal storage and a TV Lift was built into the main salon. She has two walk around queen beds plus a convertible bed in the Pilothouse and a single bed on the new settee in Main Salon as well as two separate toilets and showers with the master upgraded with a fresh water Raritan Elegance toilet on a custom plinth. With the recent upgrades to equipment and systems including professionally installed twin 210amp Balmar alternators with external regulation, a new 1200 amp hr Lifeline AGM house bank and 8D main engine start batteries all connected with Blue Seas ACRs, and the constant and documented maintenance program that this vessel has enjoyed, Nagari is ready to go to sea, and is easily handled by a cruising couple. Her fuel efficient 450hp Caterpillar diesels and robust running gear give her better than one gallon per mile total fuel consumption at 9 knots, a top speed of 14 kts and an economical cruising range of 1,500 + miles. Nagari comes with complete written maintenance records dating from the day she was delivered and is a tribute to her previous owners. The engines have just been serviced by marine diesel specialists including injectors, valve clearances and heat exchangers and borescope photographs of the main engines and recent oil samples for all mechanicals are available. The NIAID Stabilisers have just been serviced with new outer seals and a fluid flush, change and new filter. After only 18 months of ownership and extensive upgrades the owners plans have changed and they are returning to Australia. The owners do not want to leave Nagari in long term storage so it is now for sale fully equipped and ready to cruise to the Bahamas straight away. Nagari will come with everything required for long term cruising including an extensive list of spare parts and consumables, mechanical,

electrical and electronics tool kits, a completely equipped kitchen, sheets, towels and even beach chairs and a umbrella.

DETAILED INFORMATION

Salon

The salon is bright and cheerful with the warmth of satin finished teak walls, cream headlining and light carpet with new Soundown Soundproofing Underlay (2019) · Double doors from the Aft Deck with teak privacy blinds & Phantom sliding screen · Two way cream cellular privacy blinds on all side windows · Samsung 32" TV on custom lift (2019) · Twin leather wall hugger recliners (2016) · Teak Hi/Lo table (fold out) · Sofa w integral storage and electric TV lift (2019) · Teak concertina door cocktail cabinet · Built in end tables w granite tops, drawers, storage · Built in bookcase · Dimmable ceiling lights, 110V outlets, intercom, phone jack · Rear roll up cream Phifertex cockpit shade (2019)

Galley

In the large galley, you will find teak & holly flooring, satin finished teak cabinets, spacious granite counter tops, and all stainless steel appliances. The galley is both secure off shore & provides generous storage/counter space for cruising and entertaining. The pantry is large enough to store enough dry provisions for an extended cruise and the kitchen will come with all the items required for entertaining an extended group of friends.

- Teak & holly flooring
- Granite counter tops
- LG Stainless Steel Full Size Refrigerator/Freezer/Icemaker
- GE Profile Induction Four Burner Ceramic Cook top
- GE Profile Microwave/Convection Oven
- Large Stainless Steel Sink w ¾ HP Garbage Disposal
- Broan Trash Compactor
- Dish storage in custom cabinets & below counters
- Dishwasher hook ups (electrical and water) installed
- Full height, large pantry opposite galley
- Sliding window w removable screen

- Dimmable ceiling lights, 110V outlets, intercom, phone jack
- SMX II Cruisair A/C Control for Galley/Saloon dedicated unit
- Full set of glassware, crockery, cutlery and cooking utensils
- Electric appliances including Smart Cooker, Kettle, Coffee Maker and Toaster

Pilothouse

The raised pilothouse is the perfect place to operate the vessel in any weather. Full instrumentation & the STIDD captain's chair offer a commanding view. Port & starboard doors with dog latches & a Portuguese bridge provide quick and easy deck access when needed. The large dashboard features updated electronics including a 16" Simrad Chart Plotter and a Fusion Apollo multi zone entertainment system. STIDD Captain's Chair. Port & Starboard PH Doors w dog latches & removable screens. Pilothouse Helm & Interior Wood professionally refinished 2017. Settee Cushions professionally reupholstered 2016. New Pilothouse Window Covers (Phifertex Mesh) 2017. 3 Windshield Wipers & Washers. SIDE-POWER Bow Thruster Controls. Glendinning Remote Engine and Thruster control w 30' cable; allows the boat to be fully controlled w full visibility from anywhere bow to stern. CAT electronic displays. SIMRAD NSS 16 Chartplotter w Up to Date Navionics Cartography (2019). Simrad Forward Looking Sonar (2019). Airmar Smart Depthsounder (2019). SIMRAD OP40 Navigation Controller. STANDARD HORIZON GX2150 VHF Radio w DSC, AIS, Hailer. EMTRAK Class B AIS Transponder; integrated w Chartplotter. FURUNO 1942 MK2 Radar Display w 48" Open Array. Airmar 220WX Weatherstation (2018). SIMRAD-ROBERTSON AP20 Autopilot. Furuno GP36 Lat/Lon Display/Backup GPS. Furuno FCV 582-L Color Fishfinder/Depth Sounder. 16KW & 8KW Generator Remote Controls. Fireboy System Auto Shut Down Override Control. MAXWELL Dual Capstan Windlass Control. ICOM IC-M710 SSB Radio (antenna and counter-poise new 2017). Tank Tender Monitor Gauge for fuel and water tanks. Heart Link20 Battery Monitor for Generator/Electronic Batteries. NAIAD Multi-Sea II (gyro based) Stabilizer controls. Magnum 3012 Charger/Inverter Monitoring/Control Panel. Compass w internal red lighting. ACR Spotlight control. Village Marine Watermaker remote control. Pactor IIE Modem. Furuno Navtex Weather Fax Receiver. AC & DC Circuit Breaker Panels (all properly labeled). Speakers w remote control. BOREL Engine Raw Water Exhaust Alarm Panel. BULLET 2HP WIFI and Cellphone system. Storage cabinet on aft bulkhead; book cabinet starboard. Large L shaped settee has large storage beneath; converts to a single bunk w cushions. 24V Charger for bow thruster & electronics batteries under settee (reconditioned 2016). Master Bilge Pump Controls/High Water Alarms for 4

pumps · Ship's Bell · Dimmable lights; 110V outlets; 12V outlet; phone jack;
intercom · SMX II Cruisair A/C Control for Pilothouse dedicated unit · LED red
and white lighting · 406mhz EPIRB

Amidships Master Stateroom

The major advantage of an amidships Master is the lessened pitch and roll, and resulting comfort while at anchor. Satin finished teak paneling surrounds the centerline (fore & aft) queen size bed. A key feature is the generous amount of closet/cabinet space for a yacht this size.

- Walk around Queen Bed w custom mattress
- Built-in nightstand to port
- Fold-up nightstand & teak book holder to starboard
- Huge storage area under master bed
- Separate HIS & HERS closets
- Full height dressing mirror
- Reading lights above master bed
- Indirect rope accent lighting
- Custom framed mirror above master headboard
- LED TV 2017
- 110V outlets, phone jack, intercom
- SMX II Cruisair AC Control for Master BR Dedicated Unit 110
- 12V cabin fan with timer and speed control
- Breeze Booster screened inlets for two portlights

Master Head/Shower:

- 2 Stainless Steel port lights w screens
- Teak & holly floor
- 2018 Raritan Elegance toilet
- Mirrored vanity
- Granite counter top
- Stall shower w teak seat
- Grohe plumbing fixtures
- 110V outlets, exhaust fan

VIP Stateroom w Private Access to Guest Head

The satin finished teak paneling and doors continue into the VIP Stateroom forward on the lower deck. Your guests will have private access to the guest head.

- Walk around Queen bed w custom mattress
- Reading lights above bed
- Indirect rope accent lights
- Large closet
- Built-in drawers & shelving
- Large storage area under bed
- Overhead hatch w sun protection and screen
- 4 Stainless Steel port lights w screens
- Access to anchor locker
- 24V AGM batteries for electronics/bow thruster under bed
- Large storage cabinet; Fishing rod storage rack
- 110V outlets, phone jack, intercom
- Windlass & Thruster Master Breakers
- SMXII Cruisair AC Control for VIP Stateroom Dedicated Unit **Guest**

Head/Shower:

- Stainless Steel port lights w screen
- Teak & holly floor
- SeaLand Vacuflush toilet (reconditioned/hoses replaced 2017)
- Mirrored vanity
- Stall shower w teak seat & storage cabinet
- Full height mirror
- Granite counter top
- Grohe plumbing fixtures
- 110V outlets, exhaust fan

Flybridge

The large, fully equipped fly bridge makes it a joy to operate the boat in good weather. Shade is provided by a full size bimini top replaced with welded Stamoid 2019. Virtually all pilothouse systems are duplicated at the fly bridge helm, which also has two STIDD Captains Seats for maximum comfort. The large L-shaped settee, table, sink, refrigerator, & icemaker make this area the perfect place for entertaining.

- Hinged radar arch comes down to 16.5ft
- 2 STIDD Captains Chairs (reupholstered 2017)
- Sunbrella covered settee cushions (2018)
- Dedicated Fusion SRX400 that links to RA770 in Pilothouse (2019).
- Kahlenberg triple air horn (new compressor 2015)
- 360 degree ACR Search Light
- Full Bimini Top w heavy duty stainless steel frame
- 2 large LED work lights illuminate the aft area of fly bridge
- Overhead LED lights under radar arch
- Stainless steel DSC 24FS BBQ Grill (fully reconditioned 2017) 3 storage cabinets under grill
- NOVAKOOL 110V Refrigerator
- RARITAN 110V Icemaker 2017
- 110V outlets, 12V outlet, intercom, phone jack, fresh water hose
- Canvas or Stamoid covers for chairs, helm, settee, fridge, grill, icemaker
- VHF, SSB, WIFI Booster, AIS antennas
- Intellian i4 Satellite TV dome (2016)
- Viking 6 person life raft (inspected/renewed 2015)
- Upgraded Marquipt 1500LB Low Profile Davit; 110V w new stainless steel cable & control module (2017)
- Large area for storage & easy launching of dinghy with custom dinghy mounts

- BRIG 380 Center Console RIB with 40HP Honda (60hrs) 2018
- Paddles, 4 inflatable life jackets, 2 anchors
- Custom dinghy cover
- Garmin 9 inch GPS/Depthfinder with Navionics Chip
- Portable waterproof VHF Radio and Mount

Main Decks/Swim Platform

The Grand Alaskan is known for its safety and seaworthiness. Generous freeboard & bow flare result in a large, safe foredeck with built-in seating, Portuguese bridge, & easy access to all deck hardware for anchoring. The covered side decks & aft deck have deep bulwarks for maximum crew safety while handling lines or picking up a mooring. There are four port and starboard boarding gates for easy boarding regardless of tide height. The

swim platform is integral to the hull, not added on, eliminating “hull slap” from waves. Large handrails & a transom door provide easy access for docking, boarding the dinghy, or taking a swim.

- Decks are painted w Awlgrip cream colored non skid (NO TEAK)
- 105Lb Mantus galvanized anchor w 200' of 3/8" chain (primary)
- 60Lb CQR galvanized anchor w 200' of 3/8" chain (secondary)
- Maxwell 24V dual capstan windlass HCW 2200 w foot controls (reconditioned 2019)
- Dual anchor pulpit; custom-rigged SS bow eye installed for reduced rode scope & custom rigged 1" anchor snubber
- Hand Held remote for windlass
- Teak Caprail (Refinished w Awlgrip's Awlbrite system 2017)
- Stainless steel handrails, hawse pipes, & cleats
- 4 Large cylindrical fenders & stainless steel fender baskets
- Two large and two small ball fenders

- Two flat fenders
- Dimmable overhead lights on side decks & aft deck
- Shore power (2 x 50amp), TV, phone, city water connections, & fresh water hose bibs on fore deck & swim platform
- Integrated bench seats with new cushions on fore & aft decks (2019)
- Hot & cold fresh water shower on swim platform
- 3 large moveable stainless steel railings on swim platform for safety
- Robust stainless steel swim ladder
- Glendinning Cable Master control switch on swim platform
- 110V outlets fore & aft

Lazarette/Aft Deck

- Village Marine STW600 (600 gallons per day) watermaker; new membranes 2013, new LP pump, salinity probe, mother board 2017, serviced 2019.
- Standard Size Washer & Dryer
- Fold up stainless steel ladder
- Overhead 12V & 110V lighting
- Four Crusair AC Compressors
- Autopilot & steering system
- Ample storage area

Key Mechanical/Electrical Features

The engine room is well lit & provides easy access to all systems. It is accessible from both the Master Stateroom & the Lazarette. The Saloon floor is configured in four removable hatches as well, for major work access.

- CAT 3126B 450HP Engines (@4800hours)
- NAIAD MultiSea electronic stabilizers, upgraded 7.5ft fins, new outer seals, filter, fluid and rams 2019
- Twin Disc MG5075 transmissions
- Dual Racor 900 primary filters w vacuum gauges for each engine
- NORTHERN LIGHTS 16KW & 8KW Generators
- RACOR 500 primary filters with vacuum gauges for each generator
- Glendinning EEC electronic engine controls w synchronizer and manual override
- Reverso Oil change system for engines and generators
- Genset controls/instruments & secondary engine start/stop controls in engine room
- Magnum 3012 Hybrid Pure Sine Wave Inverter/Charger (3KW/125AMP)
- Fuel site tubes for all fuel tanks
- Fuel manifold for all supply/returns w fuel transfer pump
- Fireboy Halon suppression system, serviced annually
- Shafting – Aquamet 22, 2 ¼”
- Lasdrop shaft seals (2018)
- Propellers – Nibral 4 bladed, 30” X 24” rebuilt 2109
- Strut bearings replaced 2109
- High volume, manual bilge pump
- Low volume Electric engine room pump
- High volume electric engine room bilge pump
- Fresh water wash down in engine room
- Twenty gallon stainless steel Seaward hot water heater
- Grundfos 110V fresh water pump (2016)
- 80 gallon holding tank w new hoses and overboard pump 2018

- 2 50amp shore power isolation transformers with AC boosters
- 12V DC powers majority of services; 24V DC powers electronics, windlass, and bow thruster
- 2 210 amp 12V Balmar engine alternators with Balmar 614 Regulators and Centerfielder (2019) for Houss Bank and Engine Start Batteries
- 90 amp 24V alternator (port engine) & Balmar 624 Regulator powers all 24V systems
- 1200 amp hour Lifeline AGM House Bank Batteries (2019)
- 8D AGM Engine Start Batteries (2019]
- AGM Generator Start Batteries (2017)
- Mastervolt 50 amp back-up charger
- 2 Blues Seas ACR for engines and house bank
- 2 Victron Cyrix generator battery combiner relays
- Bonding System
- 110VAC LED Engine Room floodlights (2019)
- Groco Bronze Raw Water Strainers (four) and hoses and clamps for Generators and Air conditioners (2019)

Safety Equipment

- Flare and smoke signals
- 406MHZ EPIRB
- Four inflatable life jackets with rebuild kits
- Eight foam life jackets
- Seven portable fire extinguishers located throughout the boat
- A fixed Fireboy Automatic Engine Room fire suppression system with manual release on aft deck.
- Off shore medical kit

· Handheld Waterproof VHF Radio with GPS

Additional Equipment

Nagari is sold with various spare parts specific to the vessel, including spare alternators (12V & 24V), filters, belts, engine and generator raw water pumps, impellers, rebuild kits, etc. Tool kits for engine, electrics and electronics will be included.

Cruising chartbooks and guides for East Coast and Bahamas.

Exclusions

The Owners' personal belongings, artwork, binoculars, power tools.
