SPECIFICATIONS

Overview

Morgan Out Islander 28, Ready to sail away. Always in Freshwater, never damaged, hauled out. The engine starts immediately and runs smoothly, oil stays clean. This is a well maintained boat, a turn-key, sail-away example of a wonderful cruising design. The Out Island 28 was designed to provide maximum accommodations and handling ease for cruising and is a much sought after design for Florida, the Bahamas and the Caribbean. It's shoal draft and low mast open up vast areas off limits to most sailboats. Yet, the 3200 lbs of ballast, wide beam and low mast combine to provide excellent stability in all wind conditions. The accommodations below rival that of much larger boats. Head room is 6' 2", there is housing, sleeping and eating room for 5 adults.
