### Manufacturer Provided Description

With performance and amenities not typically found in a mid-forty foot yacht, the GT45X offers a legendary Hatteras experience that extends far beyond what you expect. Ideal for any owner-operator, the GT45X delivers on the Hatteras tradition of unmatched build and ride quality, while equipping all those aboard with a lavish setting to relax, entertain and pursue life's adventures.

The Cruiser's unique style is on display with a stylish, low-profile exterior, spacious cockpit, optional swim platform and an interior layout that is meticulously designed to be highly ergonomic and supremely inviting. The roomy aft seating and cockpit are perfect for daytime entertaining. Family and friends will love the integrated electric grill. And in the evenings, unwind in the thoughtfully designed open-concept cabin/galley and well-appointed overnight accommodations. Choose from a host of customizable features to make this legendary Hatteras experience your very own.

### Options and Upgrades

- **(2) CAT C-18A 1150hp Engines**
- **(2) Seakeeper 5 Gyro Stabilizers**
- **CAT 360 Joystick Control with Position Hold and Precision Troll**
- **Bow Pulpit and Windlass**
- **2 Stateroom Layout with Custom Bow Stateroom Layout that Sleeps up to 3**
- **Rift Cut White Oak Interior Woodwork**
- **Express Integrated Hardtop w/Single Pane Windshield**
- **Fuel Polishing System**
- **(2) White Underwater Lights**
- **Helm Deck Ice Maker**
- **Helm Deck Refrigerator**
- **Reverso Oil Change System**
- **Freezer Plate in Port Cockpit Fish Box**
- **Transom Livewell with LED Lighting and Window**
- **Helm Deck Teaser Reel Mounting Locations**
- **Cockpit Mezzanine Electric Grill to Starboard**
- **Cockpit Hot/Cold Handheld Shower**
- **12 Volt Electric Reel Outlets in Cockpit**
- **Pre-Wire and Pre-Plumb for Watermaker**
- **32,000 BTU Helm Deck Air Conditioning**
- **2nd Under Counter Galley Stainless Steel Refrigerator/Freezer Drawers**

- **Aluminum Bow Rails**
- **Cockpit Coaming Padding, White**
- **Designed by Hatteras Exhaust Bypass System to Minimize Exhaust Spray at Transom**
- **Release Marine Battle Saddle**
- **(6) Gunnel Rod Holders in Cockpit**
- **Mezzanine Bait Freezer to be Plumbed for Air Cooled Compressor**
- **Garmin Full Electronics Package for Helm Deck and Tower Control Stations**
- **FLIR Thermal Imaging Night Vision Camera**

## **Electronics Package**

### **Electronics Package Installation was Done at Hatteras Factory by Hi-Seas Technology**

#### Helm Deck

- (2) Garmin 8215 15" Multi-Function Displays at Helm Deck
- Garmin GSD-26 Digital Black Box Network Sounder
- Airmar B275W CHIRP Transducer- On Fairing Block
- Garmin GMR1224XHD2 12Kw Open Array Radar 4'
- Garmin GXM52 XM Satellite Weather
- Garmin GHC20 Autopilot Control
- ICOM IC-M506 VHF Radio
- ICOM HM195B Command Mic in Cockpit (to Talk to Tower)
- FLIR M324XP Single Payload Thermal Camera 9Hz
- Garmin GC10 Marine Camera in Engine Room
- CAT Diagnostic Engines Monitor, Color
- CAT 360 Joystick Control

#### Tower

- Garmin GPSMAP 8208 8" Multi-Function Display on Tower
- ICOM IC-M506 VHF Radio
- CAT 360 Joystick Control

## **Pipewelders Tuna Tower**

### **Tuna Tower was Installed at Hatteras Factory by Pipewelders Marine**

- Tuna Tower with 4' Gap
- Tower Sunshade, 72" Top w/Internal Wire Runs
- Bench Seat with Backrest, 72"
- 50" Airflow Control Box
- Richie Compass

- Anchor and Running Lights
- CAT360 Joystick Control
- One Piece Molded Standing Platform
- Custom Air Horns
- LED 2-in-1 Flood Lights
- Hand Rail with (6) Rod Holders Aft
- (8) Rod Holders on Aft Legs (4) Each Leg
- SUPER US9HD 24V Teaser Reels Installed in Helm Deck Hardtop (not tower)
- Hydraulic Outriggers, 32' 2-Spreader, w/Hydrolock
- Center Rigger, 12'

## Standard Equipment

### Exterior Finish & Construction

• Isophthalic / NPG gel coat, exterior layer • Hull and superstructure painted with a premium linear polyester/polyurethane coating for improved cosmetics and increased durability • Polymer/copper based anti-fouling bottom paint • Boot stripe, linear polyester/urethane coating • Decks, non-skid surface, polyurethane paint with polymeric beads • Resin-infused solid fiberglass hull bottom with premium vinylester resin and blister resistant gel coat below the waterline • Resin-infused composite hull sides with crosslinked foam core and premium vinylester resin • Molded fiberglass longitudinal stringers with steel engine beds • Resin-infused bulkheads and interior decks using crosslinked foam core • Integrated fiberglass hardtop with single pane windshield, vented sides and aft soft enclosure • Windshield wipers

### Hardware & Miscellaneous

• Wood bulkheads, cabinetry and trim, rift cut white oak with a satin polyester finish • All interior hardware in polished chrome • Anchor, 25' of galvanized chain, 250' anchor line • Four polished stainless steel spring cleats through bolted-in aluminum backing plates • Two polished stainless-steel bow cleats and chokes, two stern cleats and hawse pipes, through bolted-in aluminum backing plate • Polished, anodized aluminum bow rail • Deck plates for fuel and water fills and waste pump out • Stainless steel / Bronze rudders • Dual air horn • Fog Bell • Transom zinc • Rudder bearings and bronze struts with dripless seals • Manganese shaft couplings • Alloy 22 high-strength propeller shafts • Dripless propeller shaft seals with spare seals • Propellers, Nibral high performance • Stainless steel trim tabs

### Engine Compartment & Bilge

• Painted engine room and bilges • Rubber deck mat between engines • Insulation in engine room ceiling, for noise mitigation on helm deck • AC fluorescent lights • DC Lights • DC bilge blowers • 17kw freshwater cooled diesel generator • Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, and exhaust silencers • Fiberglass fuel tank constructed with fire retardant

resin • United States Coast Guard type A1 U.L. Marine listed fuel lines • Electrical fuel priming pumps, main engines • U.L. Marine listed duplex fuel filters/water separators, engines and generator • Water tank • Polyethylene water lines • Pressurized 24V DC freshwater pump • Water manifold with centralized shut-off valve for sinks and showers • 11-gallon water heater • Polyethylene sewage holding tank with 24 volt DC bilge and sewage pump, plumbed for dockside pump-out with 3/4 Full display and alarm as part of systems monitor programmable logic controller • Sealed shower sump pump • Individual sea chests for each engine and genset, high speed seachest for water makers, air conditioners and raw water pumps • Discharge sea chest • Painted pultrudent fiberglass rudder shelf bolted to steel plates in stringers • Stainless steel steering tie-bar with pivoting self aligning ball joining connection at all cylinder and tie bar connections • FM200 fixed fire-extinguishing system for engine compartment with automatic and manual discharge and audible and visual discharge signals • DC distribution panel with voltmeter • Oil change system for engines, gears and generator

## Electrical Systems

- Two 24 volt bank of heavy-duty, 12 volt marine batteries mounted in a fire retardant fiberglass box • Tin coated wiring with insulation, labeled and color coded • Electric Bow Thruster, 8HP • Battery paralleling switch at helm • Automatic, 240 volt battery charger, 50/60Hz • Battery control panel with fuses and magnetic circuit breakers • AC and DC distribution panels with magnetic circuit breakers in main cabin • AC switching panel with source selector • One 240 volt, 50 amp, retractable shoreline with ground fault and overcurrent protection with fail-safe galvanic isolator • AC duplex outlet(s) with ground fault protection • DC LED lights and fixtures • Omni-directional TV antenna

## Cockpit

- Mezzanine seating with cushions • Aluminum mounting plate for installation of fighting chair • Bait and tackle center with storage • Bait tank molded into transom, 56 gallons • Tricolor courtesy lighting under gunwales • Freezer under mezzanine seating • Electric grill built into starboard bait and tackle center • Fish boxes (2), large capacity, insulated, flush in deck with macerator • Freshwater wash down outlet • Hot and cold hand held shower • Dockside freshwater connection with pressure-reducing valve • Saltwater wash down • Insulated mezzanine boxes • Lazarette access hatch • Stainless steel rod holders (4) • Transom door with top gate, heavy duty polished stainless steel hardware • Stereo speakers (4) • Cockpit scuppers • Cockpit hatches with gutter drains

## Helm Deck

- Systems monitor with programmable logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke detectors, carbon monoxide detectors, and holding tank 3/4 full monitor • L-shape lounge with cushions • Starboard storage cabinet with refrigerator • Stereo with speakers • Control station with all necessary switches • Palm Beach style helm with

---

single lever electric controls and steering wheel• Hydraulic power-assisted steering• Helm chair & companion chair• Fire and bilge high water level alarms• Engine instrumental panel with audible warning system• USB port• Helm console storage

### **Galley**

• Synthetic wood flooring• Fabric headliner installed on track system• Dinette seating with storage underneath and wood table with stainless steel, high/low pedestal• Quartz counter tops and storage cabinets made of finished wood• Under counter refrigerator and freezer drawer units• Ceramic cook top• Microwave/convection oven• AC duplex outlets with ground fault protection• DC LED under-counter lighting• DC LED dimmable lighting overhead

### **Main Cabin**

• Synthetic wood flooring• Fabric headliner on track system for service access• DC LED dimmable lighting• Skylight• Access hatch to bilge• LED 32" class TV• Stereo home theater system with Blu-ray, blue tooth,USB port, Wi-fi and FM tuner• HVAC control• Smoke and carbon monoxide detector

### **Forward Stateroom**

• Foredeck hatch, with retractable shade / screen• Fabric headliner on track system• Custom fabricated innerspring mattress system• Custom fitted sheet and mattress pad set• Bunk cover, pillows, shams and linens• Private access to head• 20" class LED TV• Stereo with DVD player• AC Duplex outlets with ground fault protection• DC LED lighting• HVAC control• Smoke detector & carbon monoxide detector

### **Starboard Head**

• Synthetic wood flooring• Fabric headliner on track system• Wall coverings• Quartz counter top, back splash, with under mount sink• Storage cabinet with mirror above sink• Base cabinet to match interior finish with storage• Mirrored door• Freshwater toilet• Towel bar, towel ring, tissue holder, robe hook• Recirculating fan• AC duplex outlets with ground fault protection• DC LED Lighting• Holding tank monitoring system• HVAC control• Smoke detector & carbon monoxide detector
