**Fuel Type:** Diesel

---

## DETAILED INFORMATION

---

### Remarks

---

An original owner boat with customized interior that features beautiful woodwork, a custom stateroom layout increasing the Master stateroom size substantially over a standard E88 model, and day heads on both main and flybridge decks. A great yacht for entertaining, her 21' beam with full walkaround decks leads to a generous sun lounge area forward including a riding bench with two tables. Her aft flybridge deck is utilized as a comfortable outdoor lounge with couches, chairs, sunbed, and tables, plus a undercover bar with stools. The main deck interior is open from the country kitchen forward to the glass sliding doors to the aft deck. An electrically raised etched glass panel can be raised between the galley and dining room if a more formal dinner party is in the plan. C-32A CAT diesels with hydraulic bow & stern thrusters, TRAC zero-speed stabilizers, and a hydraulic swim platform with opening transom. The exterior designed by John Lindblom has attractive contours and a recent ceramic polish coating has her sparkling, plus a recent bottom service. Boat can be seen in North Palm Beach, FL and is sincerely for sale.

### Accommodations

---

Three owner and guest staterooms down a forward stairway from main deck to starboard. VIP stateroom in the bow with centerline double berth and private head. Guest stateroom just aft to port with twin berths and private head. Master stateroom to aft end of companionway. Extra sized due to the deletion of a bunk room in Horizon's standard E88 model layout. King sized berth centerline. Several closets and large head with pocket doors to the port side of stateroom. Forward side of the stateroom has a TV lounge area with two chairs and coffee table. To starboard side is a desk area and further aft is a separate laundry room.

Down another stairway from the main deck in the port corner of the salon is access to two crew staterooms and one head plus a large utility room area which has a hydraulic opening transom hatch or a single center door. Forward on this aft companionway is the entrance to the engine compartment.

PRELIMINARY LISTING - further details to be added soon.
