Overview

Note: All headlines have been corrected and replaced since the photos were taken.

This Richmond represents the last and best Richmond yacht ever built with tons of upgrades and improvements to her from trials on the previous builds and created to be the last yacht the owner of Richmond yachts would ever build for himself. Below are some of the upgrades and improved design features:

- Super soundproofing throughout the vessel compared to previous model Richmond Yachts
- Caterpillar 80KW Generator 120/208 3ph w/enclosure on sound isolator mounts (Port 5200 hours, Starboard 4500 hours - October 2020)
- New Titanium 5-ton chillers (Jan 2017)
- Zero Speed Stabilization
- New Watermaker (2019)
- Modern seating and dining area located on the foredeck
- Built-in integral fuel tank, lowering the weight in the vessel making her stronger, and giving her a better center of gravity. This all translates to a better, smoother, and stable ride
- Super soundproofing throughout the vessel
- Twin Caterpillar C32 Acert, 1925 HP main engines (2615 Hours)
- Upgraded Caterpillar 80KW 3-phase generators
- Air-conditioned engine room with (2) dedicated air conditioners
- Atlas transformer located in engine room allowing heat to be removed through air tunnels making engineer office area quieter and cooler
- All bilges, tunnels, and steerage compartments are air-conditioned, eliminating rust and mildew
- Upgraded passerelle with tide guard feature
- All outdoor lockers are air-conditioned
- Aft deck is larger and roomier with built-in bar and bar stools and a better layout
- Layout includes an optional VIP stateroom and a full owner's office on the upper deck
- Larger windows throughout the vessel compared to previous Richmond Yachts.
- Electronic lights, Roman shades, and media controlled via iPad or wall pads with Control 4 remote system in salon, sky lounge, and master stateroom
- State-of-the-art full security system throughout vessel
- The pilothouse features 40-degree rearward raking polarized tinted windows providing a sleeker profile
- Improved galley layout, larger and features a settee area
- Galley refrigerator & freezer compressors are remotely located in the bilge,

reducing heat and noise in the galley

- Yamaha Disklavier player piano added to the salon
- Custom-built mahogany table in the dining salon
- Custom open staircase with art and glass work in foyers
- Sharp 90" HD 3D TV added to the sky lounge
- Samsung 60" HD TV added to the master stateroom
- Windows and closets in the master stateroom are larger
- Viking BBQ relocated to the flybridge for better ventilation
- Added (8) underwater LED lights
- Vessel has 2 coats of primer, 3 coats of Awlgrip
- New bottom job, zincs, prop speed, shafts & propellers (2019)
- (5) New Titanium 5-ton chillers (Jan. 2017)
- Five-year ABS surveys (completed summer 2018)
- New jacuzzi on the bridge (2019)
- Custom Patrick Knowles interior with nearly \$500,000.00 spent on furnishings and decor (2019)
- All new hydraulics systems (2019)
- Full service to the Cat motors (2019)
- Full services to the Cat generators (2019)

- Length at Water Line: 131' (39.93m)
- Beam: 28' (8.536m)
- Draft: 7'04" (2.24m)
- Gross Tonnage: Gross 437
- Year Build Completed: 2013
- Builder: Richmond Yachts, Canada
- Exterior Designer: Ward Setzer & Richmond Yachts
- Interior Designer: Pavlik Yacht Design with Decor by Patrick Knowles
- Construction: Composite GRP
- Classification: American Bureau of Shipping, MCA
- Cruising Speed: 14 knots
- Maximum Speed: 16+ knots
- Range: 3,500 Nautical Miles
- Accommodations: 12 guests in 6 cabins & 8 crew in 5 cabins
- Fuel Capacity: 12,000 gallons (45,425 liters)
- Water Capacity: 1,700 gallons (6,435 liters)
- Watermakers: 2 x Sea Recovery 1800 GPD (6,813 LPD)
- Holding Tank Capacity: 1,480 gallons (5,602 liters)

Electronics, Navigation & A/V Equipment

- Simrad AP50 main Autopilot display with J50 junction box
- Simrad FU50 full follow-up wing jogs
- Simrad FU50 full follow-up at pilothouse
- Simrad RCG50 main Gyro
- Simrad RFC25 Fluxgate Compass w/rate card back-up
- (2) Simrad RF300 Rudder feedback unit
- Simrad RGC Gyro repeater
- Main Navigation, Controls/Monitors:
 - Furuno Navnet 3D BB/DC 96-mile 4' scanner 12kw
 - Furuno Navnet 3D BB/DC 96-mile 8' scanner 25kw
 - Furuno Navnet BB - Dual Frequency sounder 1kw
 - Furuno BP100 - Ultrasonic & Sirius weather station
 - Navigational HP Computer w/Nobeltec chart, Odyssey & First mate software
- (6) Simrad 20" LCD Displays
- Simrad RS87 - DSC VHF 30w hailer & (2) second station hand mics
- Simrad RS87 - DSC VHF back up 30w
- Seawatch 1500X monitoring system for all alarms, bilges
- Quantum zero speed stabilizer controls
- Quantum hydraulic bow thruster control
- (2) ACR searchlight controls
- Multi-Instrument:
 - Simrad IS20 Multi depth/speed combo - pilothouse
 - Simrad IS20 Combi repeater - pilothouse
 - Simrad IS20 Wind system - pilothouse
 - Simrad IS20 Combi repeater - master office
 - Simrad IS20 Combi repeater - crew
 - Simrad IS20 Rudder indicator - wing port
 - Simrad IS20 Rudder indicator - wind stbd
 - Simrad IS20 Rudder indicator emergency stand along
- Communication GMDSS:
 - (2) Sailor 5000 GMDSS 150w GMDSS compliant communications console A3
 - (2) Sailor 5000 dual VHF radios
 - Sailor 5000 dual M-Sat C
 - Jotron SART emergency search & rescue transponder
 - ACR EPIRB global fix 406 Cat 1
 - (3) Simrad Axis 250 GMDSS hand-held VHF's w/spare battery
- Communication, TV & CCTV System:
 - (2) KVH HD-11 48" dome HD, Sat TV & Direct TV receivers
 - Fusion Genesis MKII movie server 6TB - 900 DVD's (2015)
 - Entertainment System with Sony STR ZA 2000 amplifier (2015)
 - Entertainment System with Sony STR ZA 3000 amplifier (2015)
 - KVH V-7 48" ADSL Speed internet w/phone

- Sailor Mini M 4000 series Sat mini-M PABX interface
- Panasonic PABX system XKDT 100 w/handsets
- Digital Watch Dog security system, DVR recorder 16-channel, (13) locations
- (4) Lilin ImegaPro exterior camera's, 2-aft deck, mast & 2-side decks (new 2015)

Interior Accommodations & Layout

Motor yacht "REVIVE" accommodates up to (12) guests in the Owner's party with as many as 6 staterooms depending on your desires in an ultra-luxurious fashion. The staterooms include an on-deck king master stateroom, (4) guest cabins below decks and an optional VIP Queen stateroom on the upper deck which can be utilized as the captain's cabin. Descending the main foyer stairwell to the lower deck yields access to the (4) large guest staterooms. (3) of these staterooms feature true queen-sized beds and the 4th guest room is outfitted with a twin side-by-side bed configuration.

Every stateroom is Four Seasons caliber having built-in entertainment systems with HD TVs, controls for movies-on-demand, and beautifully appointed ensuite baths with exotic marbles and stunning granite counter-tops wrapping the guests in unbelievable luxury while aboard. There is an owner's office located off of the sky lounge where business can get done in peace and quiet while aboard. Below the deck are crew accommodations for (8).

Full Beam On-Deck Master Stateroom

This incredible stateroom is located forward on the main deck and ideally situated in a space that maximizes both volume and privacy. Walking forward through the salon and past the marble-laden atrium brings you to the stateroom's entrance. Walking through double doors brings us to well designed and elegant yet warm room. At the entrance, we transition from marble to premium carpeting beneath our feet and are greeted by beautiful woodwork in a private lounging area. Here we find a built-in entertainment system with a 46" HD TV. Below we see a Sub-Zero two-drawer refrigerator for your beverage of choice while relaxing in peace. A comfortable seating area is located adjacent for you to privately enjoy a movie or simply destress.

Continuing forward brings us to a king-sized bed located centerline of the room with dressers to starboard a makeup vanity to port, nightstands to either side of the bed, and a full entertainment system concealed in the cabinetry on the aft wall complete with a 60" HD TV. As you pass thru the stateroom to the port side you will find a large walk-in cedar lined closet with plenty of storage and drawers. The room is flooded with natural light from oversized windows providing you with panoramic views of the ocean blue and seascapes in the outside world's paradise. These massive windows feature remote-controlled pleated Roman shades for your privacy and comfort.

- Custom mahogany millwork

- Custom upholstered headboard with mahogany frame
- Custom mirrored panels on forward bulkhead
- Custom alcove above berth with recessed lighting
- (2) Built-in nightstands with marble top
- Built-in dresser with 12-drawers located to starboard
- Built-in vanity and desk to port with pop-up mirror drawers & vanity chair
- Built-in entertainment center aft of bed with a Samsung 60" HD TV
- Denon & on-demand movie receiver
- Oversized windows to port & starboard with electric Roman shades
- Oversized, walk-in cedar-lined closet with Sentry safe
- Sitting area with leather settee, built-in cabinetry, bookshelves, Samsung 46" HD TV
- Sub-Zero 2-drawer refrigerator
- Custom Jado stainless steel hardware throughout

His & Her Master Bath

Forward of the bed are his and her onyx laced bathrooms complete with a shower, steamer, luxurious Jacuzzi tub. A glass divider lined with onyx between his and her baths for privacy. The custom onyx marble vanity and flooring are one of a kind and show a level of sophistication and elegance that is simply immeasurable.

- The glass-lined and onyx accented divider between his & her baths for privacy
- Custom mahogany millwork
- Marble onyx vanity tops
- Marble onyx steamer shower w/ seamless glass doors & custom fixtures
- Large marble onyx jacuzzi tub w/custom fixtures
- Custom marble onyx flooring

Main Salon

Entering the salon from the aft deck we step through custom-built stainless steel automatic sliding doors. Here you will be mesmerized by an elegant and stylish salon for entertaining guests. The interior has been completely retrofitted in regards to furniture and most lighting and scones by the renowned Patrick Knowles in 2019. Furnishings include a new sofa, two new armchairs, a new custom cocktail, and end tables, power-controlled window treatments, and an intricate coffer ceiling illuminated by a beautiful custom light fixture. The entertainment center forward separates the salon from the formal dining and features a pop-up TV. The list goes on and on.

- 55" LCD TV
- Controls for movies on demand
- Amplifier and state-of-the-art surround sound

- Satellite receivers
- Wall-to-wall custom carpeting and slab marble flooring are throughout
- Custom mahogany veneer joinery work
- Sapele & Pomele finishes & cove molding throughout the vessel
- Custom coffered round tray ceiling with framed molding & custom light fixture
- Custom furniture selected by Patrick Knowles
- Yamaha Disklavier player piano
- Oversized panoramic windows throughout
- Custom window treatments with electric Roman shades
- Control 4 remote system for lighting, window treatments & media controls via Ipad or wall pad
- Custom cabinetry & buffets with select marble inlays to port & starboard
- Lofted storage for china
- Built-in entertainment forward with cove moldings
- (2) Fluted pilasters on each side, dividing salon from dining area housing pop-up Samsung 55" LCD TV
- Denon surround sound tuner and amplifier
- Audio & visual receiver
- Direct TV HD receiver
- On-demand movie server
- X-Box gaming system
- (10) Custom glass wall sconces to port & starboard
- Custom wallcoverings
- Storage locker located aft
- Custom carpeting throughout with marble flooring from main deck foyer companionway to master forward

Dining Area

Just forward of the salon and a mid-ship is the yacht's formal interior dining. The centerpiece of this area is a custom Mahogany dining table with beautiful burl inlays that's capable of seating twelve guests. Its complemented by superb Sapele and Pomele woodwork with a buffet for china, crystal, and stemware storage. Throughout both the salon and dining area, custom crown molding accentuates the other woodwork and moldings in the ceiling and custom powered drapes. A beautiful silver leaf finish and white Murano glass and crystal chandelier hang central over the dining table. An automatic door is conveniently located between the dining room and the galley.

- Custom Mahogany dining table with flame burl inlay
- (12) Patrick Knowles selected dining chairs
- Custom illuminated tray ceiling soffit with framed moldings
- Silver leaf applique & Murano glass chandelier

- Built-in buffet & mahogany cabinet forward with 2 glass lite display doors and lofted storage for stemware & storage lockers
- Artwork with accent lighting

Main Foyer

- Starboard entry
- Custom marble flooring with inlay border
- Central spiral stairway to the lower guest accommodations and to the upper deck, with custom, illuminated frosted glass panel
- Trivoli accent lighting & marble treads
- Large floor-to-ceiling Sub-Zero wine cooler
- Built-in mahogany buffet cabinet with storage & art niche above
- Watertight entry door to starboard

On-Deck Day Head

- Custom Mahogany radius bow front vanity with granite top
- Custom Kohler sink & gold plated fixtures
- Vanity mirror & overhead mirror
- Custom wallcovering

Galley

The entrance from the dining room to the galley is through an automatic door just to port via a hidden switch located at ankle level. The gourmet galley features a settee that can seat up to six people on the port side with an open view of the rest of the galley. The Amtico sole brings out the silver cabinets and the granite counter-tops. The large pantry with pull-out shelves gives plenty of storage for all of the dry goods. All appliances in the galley are commercial stainless steel to include:

- True stainless steel 4-door refrigerator (remote compressor located in bilge reducing heat & noise)
- True stainless steel 4-door freezer (remote compressor located in bilge reducing heat & noise)
- (2) Fisher Paykel double drawer dishwashers
- Miele steamer oven
- Dacor commercial 5-burner cook-top stove
- Dacor microwave/convection oven
- Dacor oven range
- Stainless steel vent hood

- Hoshizaki commercial icemaker
- GE trash compactor
- Granite countertops & mosaic tile backsplash
- Double stainless steel sink w/custom faucet, instant hot water & garbage disposal
- Center cooking island bar w/granite top & drawers below w/lofted storage for dishes
- Large pantry with pull-out shelves for storage & dry goods
- Custom U-shaped leather settee & mahogany dining table
- Samsung 20' HD TV
- Amtico laminated wood flooring
- Automatic privacy door between galley & dining salon

Mechanical Equipment

Twin Caterpillar C32 Acert main engines, each engine is rated 1925 HP at the flywheel with ZF gears. Gears have trolling valves to reduce engine speed in confined spaces. These motors have just 2615 hours (October 2020)

- Marine Air 30-ton chiller unit
- New Titanium 5-ton chillers (Jan 2017)
- Chiller soft starts
- Chiller cooling water outlet thru-hull & sea valve
- Port main engine exhaust outlet w/butterfly valve
- Generator cooling water outlet thru-hull & sea valve
- Generator muffler/water separator
- Caterpillar 80KW Generator 120/208 3ph w/enclosure on sound isolator mounts (Port 5200 hours, Starboard 4500 hours - October 2020)
- (2) Engine start 8D batteries
- (2) Generator start batteries - group 27
- Battery disconnect switches & meters
- Battery ventilation system
- Generator & hydraulic cooling thru-hull & strainer w/hull exterior recess fairing
- Fuel return cooler
- Alfa Laval fuel centrifuge on sound isolator mounts
- Oily water separator
- Fuel transfer pump - AC sound isolator mounts
- Fuel transfer pumps - DC sound isolator mounts
- Oil transfer pumps - new oil sound isolator mounts
- Oil transfer pumps - used oil sound isolator mounts
- Motor control center for fuel & oil pumps
- FM 200 engine room fire suppression system

- Sea chest thru-hull seawater supply for port engine w/stbd crossover
- Caterpillar main engine sound isolator mounts
- ZF 3060 marine reversing gear 2.95-1 gear ratio sound isolator mounts
- Aquamet 22HS 5" dia propeller shafting
- Tides marine driplless shaft seals
- DeAngelo custom marine exhaust
- Fully soundproofed engine room wall system
- Fully fireproof B30 engine room wall system
- Engine fuel day tanks P&S forward bulkhead
- Watertight steel engine room door (midship)
- High output fluorescent lighting
- Emergency DC lighting
- Warning strobe lights for fire, general alarms, phone
- Engine Room, Starboard Side:
 - Quantum hydraulics to service ships hydraulics & zero speed stabilizers
 - Quantum 20hp electric pump for zero speed stabilizers on sound isolator mounts
 - (2) Sea Recovery 1800 GPD watermakers
 - Heat exchanger for hydraulics
 - Hydraulic cooling water outlet thru-hull & sea valve
 - Jastram steering hydraulic tank & solenoids
 - Headhunter HMX Tidal Wave sewage treatment center
 - Sewage outlet thru-hull & sea valve
 - Main air compressor
 - Port main engine exhaust outlet w/ butterfly valve
 - Generator cooling water outlet thru-hull & sea valve
 - Generator muffler/water separator
- (2) Engine start 8D batteries
- (2) Generator start batteries - Group 27
- Battery disconnect switches & meters
- Battery ventilation system
- Generator & hydraulic cooling thru-hull & strainer with hull exterior recess fairing
- Fuel return cooler
- Sea chest thru-hull seawater supply for a port engine with starboard crossover
- Vulcan main engine sound isolator mounts
- ZF 3060 Marine reversing gear 2.95-1 gear ratio Vulcan sound isolator mounts
- Aquamet 22HS 5" dia propeller shafting
- Tides marine driplless shaft seals
- MMX custom marine exhaust
- Aft Machinery Space, port & stbd:
 - Engineer's cabin w/over & under berths, storage drawers, Amtico flooring, Samsung TV, private head w/head & shower, port
 - Massage room w/folding massage table, mirrored storage cabinet, (2) storage closets, Samsung 30" HD TV, sink, custom wall covering, Amtico flooring,

- emergency hatch, double door entry, stbd
- Emergency steering station w/rudder angle indicator & bridge communication
- In-deck hatch for large storage hold
- Forward Machinery Space, stbd:
- Full engineer's control station atlas
- Full paralleling panel
- Atlas shore power conditioner w/seamless transfer
- Aft area breaker panel
- DC switch & fuse panel
- DC breaker panel
- Battery charger for house batteries
- UPS inverter
- Ship's batteries
- Extra-large pool box
- Forward Machinery Space, port:
- Bilge & fire pumping manifold
- 5hp electric fire pump
- 6hp hydraulic bilge pump
- Back-up compressor
- Seawater inlet thru-hull for fire pump with exterior recess fairing
- Thru-hulls for drainage & bilge pumps to stbd
- Sink/taps
- Engineer's bookshelf & upper storage cabinets
- Lower storage cabinets
- Complete set of quality tools to perform routine & emergency maintenance
- Passerelle pumps
- Fire hydrant with 50' hose & nozzle
- Fire ax
- (2) Fireman's suits with Scott air packs
- Thru-hulls for drainage to port
- Fuel storage tanks against fwd (engine room) bulkhead
- Stairs up to weather deck exiting through a watertight door to port
- Area fully air-conditioned

Exclusions

Owner's personal belongings.
