SPECIFICATIONS

Overview

Designed by Fulvio De Simoni, this boat was built in GRP by Italian yard Pershing to RINA class. A custom interior uses light wood joinery and cream leather furnishings to create a calm, relaxing ambience accommodating up to 10 guests in four generous cabins. These consist of a master suite, a VIP suite and two twins, all with entertainment systems, LED television screens and en suite bathroom facilities. Crew quarters sleep three staff aboard this yacht for sale.

The main saloon is particularly attractive, offering comfortable seating, a bar and an entertainment center.

True al fresco entertaining and dining is available on the aft deck with built in upholstered seating, a table and weatherproof loudspeakers connected to the saloon entertainment center. Her swim platform is perfect for water-sports and allowing younger generations easy access to the water. Up on the sun deck is a set of sun pads that ingeniously convert into a dinette with table, protected from the sun by a large awning.

The Pershing 92 is a considerable improvement and development from the previous very successful Pershing 88 and 90 models with a perfect continuity between interior and exterior spaces, a large private upper sundeck and of course the exhilarating performance Pershing is so well known for.

Basic Information
