SPECIFICATIONS

Overview

GOOSE is one of the finest examples of "the Original Picnic Boat". Built in 1984, GOOSE benefited from a major rebuild in 2006, making her indistinguishable from the new Dyer's that were being built then. Mostly gutted, GOOSE's engine box was removed and a modern raised bridge deck with L-shaped settee was installed. A new powerful yet quiet Yanmar 315 hp, went underneath it. New fuel tank, new teak sole, new refrigeration, New air con/heat, new bow thruster, etc, etc. A partial refit, also at Dyer, was done in 2018. Inquire for further information. First introduced in 1955, the DYER 29 is the "THE LONGEST RUNNING PRODUCTION BOAT" in the history of boat building. This traditional classic timeless design is seaworthy, comfortable, pleasurable, and stylish with a distinctive signature look and pedigree. With a sweeping shear line, raised trunk cabin and wood framed windshields, the Dyer 29 has been turning heads and providing content ownership for decades. This is YOUR chance to step aboard and own this much sought after craft.

Basic Information

Category: Cruiser

Model Year: 1984

Year Built: 1984

Country: United States

Dimensions

LOA: 29' 0" (8.84m)

LWL: 26' 0" (7.92m)

Beam: 9' 6" (2.90m)

Max Draft: 3' 3" (0.99m)

MFG Length: 29' 0" (8.84m)

Speed, Capacities and Weight

Cruise Speed: 18 Kts. (21 MPH)

Max Speed: 34 Kts. (39 MPH)

Water Capacity: 24 Gallons

Holding Tank: 15 Gallons
