## Overview

---

This is a rare opportunity to purchase a gently owned Riva 44 Rivarama. It has less than 60 hours on the twin 800 Man diesel engines and has been in the fresh water in the Great Lakes since new.

These fine vessels offer a bow and stern thruster, a concealed bimini top, air conditioning, a 2 speed transmission providing quick acceleration, 2 life rafts and audio and video entertainment systems. This is the epitome of seasonal live aboard or casual entertaining and Riva has included some high end finishing touches such as the rapid cooling system for a bottle of champagne and 2 fluted glasses.

The boat offers easy access to the water with 3 comfortable steps in a non slip treated mahogany. The master suite in the bow is very spacious and a "deck hand" cabin is also included with its own access and private bathroom.

This Riva offers the best in technology and innovation and only a very few are available in the resale market currently.
